COLONIAL AND FOREIGN CORRESPONDENCE.

Letter Post.

The prepaid rate of postage on letters from the United Kingdom for all Foreign Countries (except the United States and places in Morocco where there are British Agencies) is 2½d. for the first ounce and 1½d. for each succeeding ounce or fraction thereof; from the United Kingdom to British Possessions generally, the United States and places in Morocco where there are British Agencies, the letter rate is 1d. per ounce.

To a few countries, which are specially mentioned, exceptional conditions apply, such as compulsory prepayment of postage, the collection of an additional charge on delivery, or the absence of arrangements for the complete or even partial registration of letters.

Letters posted unpaid or insufficiently prepaid for any country to which prepayment is compulsory are sent to the Returned Letter Office. Letters so posted for other countries are forwarded, but are charged on delivery with double the deficiency.

Unpaid and insufficiently prepaid letters from the United States and the British Agencies and Possessions to which penny postage applies are charged double the deficient postage; but the surcharge can in no case exceed 2d. per ½ ounce. Unpaid and insufficiently prepaid letters from all other places are charged double the deficient postage; but the surcharge can in no case exceed 5d. per ½ ounce.

No letter for a Colony or Foreign Country may exceed 2 feet in length or 1 foot in width or depth.

As all the routes available for ordinary letters are not available for insured letters, the latter may be longer in transit than the former.

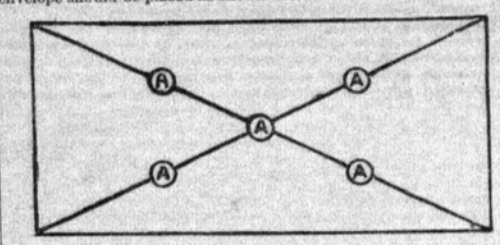
Insured letters have all the safeguards of the registration system; and, subject to the following regulations, compensation will be paid if they or any of their contents are lost in the Post.

Postcards or packets of "Printed Papers" or "Commercial Papers," Sample Packets or Letters which contain articles other than documents cannot be insured. The letters to which the insurance system is applicable are those which contain bank notes, bonds, coupons, securities, &c. Objects of value which cannot be sent in insured letters may, in most cases, be forwarded either as insured boxes or insured parcels.

Letters intended for insurance must be presented at the counter of a Post Office. They cannot be posted at Railway Stations and must not be dropped into a letter box or handed to a postman or mail cart driver.

Insured letters must not be addressed to initials or in pencil.

Every letter tendered for insurance must be enclosed in a strong cover, which must be securely fastened and sealed with fine wax, bearing a private mark, in such a way that it cannot be opened without either breaking the seals or leaving obvious traces of violation. Envelopes with black or coloured borders must not be used. Seals must be placed over each flap or seam of the cover of a packet, and if the packet is tied round with string or tape, a seal must be placed on the ends where they are tied. The seals on an ordinary envelope should be placed as shown below:—



All the seals on a letter must be of the same kind of wax, and must bear distinct impressions of the same private device. Coins must not be used for sealing; and the device must not consist merely of straight, crossed, or curved lines which could readily be imitated.

If a letter tendered for insurance does not, in the opinion of the officer of the Post Office to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it. Nevertheless the onus of properly enclosing, packing and sealing the letter lies upon the sender; and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.

The amount for which a letter is insured (which must not exceed its actual value) must be written by the sender both in words and in figures at the top of the address side of the cover, thus:—"Insured for fifteen pounds (£15)." No alteration or erasure of the inscription is allowed. If a mistake is made, the entry must be completely obliterated and an entirely new one made by the sender.

The sums payable for insurance, which is limited to £50 in some cases, are as follows:—

Fee.		Limit of Compensation.	Fee.		Limit of Compensation.
s.	*d.*	£	*s.*	*d.*	£
—	4	12	1	2	72
—	6	24	1	4*	84
—	8	36	1	6	96
—	10	48	1	8	108
1	0	60	1	10	120

and 2d. for every additional £12 up to a limit of £400.

The fee must be prepaid, in addition to the full postage, by means of postage stamps, which the sender must affix to the cover of the letter.

As few stamps as possible should be used to prepay the postage and insurance fee. They must not be folded over the edge of the cover, and when more stamps than one are used, they must be affixed with spaces between them.

A certificate of posting must always be obtained by the sender. He may also obtain an acknowledgment of the delivery of a letter under the same conditions as those applicable to registered letters.

Letters which, although addressed to a country or place to which the insurance system does not extend, have been irregularly insured, will be returned to the senders.

When an insured letter is redirected from one country to another, a fresh insurance fee becomes payable for each such transmission. If this fee is not prepaid, it is collected from the addressee on delivery. Insured letters can only be redirected to countries with which the British Post Office exchanges insured letters.

Compensation for the loss or damage in the Post of an insured letter or its contents will not exceed the amount of the actual loss or damage, and will not be paid at all for a letter containing any prohibited article, for any letter which has been delivered without external trace of injury and has been accepted without remark, or for the damage of exceptionally fragile articles; nor does it follow as a matter of course that compensation will be given when loss arises from tempest, shipwreck, earthquake, war, or other causes beyond control. No compensation will be paid for any loss or damage resulting from acts of the King's enemies. No claim for compensation will be admitted if made more than a year after the letter was posted.

No legal liability to give compensation in respect of any letter for which an insurance fee has been paid attaches to the Postmaster General, either personally or in his official capacity. The final decision upon all questions of compensation rests with the Postal Administration of the country in which the loss has taken place.

The insurance system also applies to letters from the places mentioned, but letters to or from other places abroad cannot be insured.

Any insurance effected contrary to the foregoing regulations is invalid.

INSURANCE OF BOXES.

Articles of gold and silver, precious stones, jewellery and other articles of a like nature, which are prohibited from transmission in insured letters, may be sent in the letter mails as "insured boxes" to

Belgium	Holland	Portugal
Denmark	Italy	Roumania
Egypt	Norway	Switzerland
France		

The following classes of articles are prohibited from transmission in "insured boxes":—

Current coin of any kind, letters or correspondence, bank notes or other bills payable to bearer, securities or articles included in the category of "commercial papers" (see further on) and any article of which the admission or circulation in the country of destination is prohibited.

An "insured box" must not exceed 2 lb. in weight, and must not measure more than 12 inches in length, 4 inches in breadth, and 4 inches in height. The boxes employed for packing must be strongly made of metal or wood, and when wooden boxes are used the wood must be at least $\frac{1}{16}$ of an inch thick.

The boxes must be tied crosswise with a single strong string (not two or more pieces joined), the two ends of the string being held together under a seal of fine wax bearing a private mark. They must also be sealed on the four sides with seals identical with that used for the ends of the string. The surface of the top and bottom must be covered with white paper for the inscription of the addressee's name and address and the insured value of the contents and for the impression of the official stamps.

Insured boxes are subject to the Customs regulations and laws in force in the country of destination, and must be accompanied by Customs declarations prepared by the senders. The declarations must be prepared with great care and must specify precisely the registration number, style of packing and description of the box, full particulars of the contents, the gross weight and total value as well as the net weight and value of each article.

The postage to be prepaid on an insured box varies, according to the country of destination, from 1s. to 3s. 0d.; the minimum insurance fee is 4d. and the maximum limit of insurance is £400 (10,000 francs).

The general regulations for insured letters apply also to insured boxes.

LETTERS, &c., FOR AND FROM OFFICERS, NON-COMMISSIONED OFFICERS, SOLDIERS AND SEAMEN IN HIS MAJESTY'S SERVICE.

Letters, &c., for His Majesty's ships when abroad are forwarded in accordance with lists of addresses furnished from time to time by the Admiralty. All letters and other postal packets for His Majesty's ships should be addressed H.M.S. (name of ship), c/o G.P.O., London E.C.1.

The postage payable on letters addressed to H.M. ships abroad is 1d. per oz., and the same postage is payable in British stamps on letters sent in the bags made up on board H.M. ships when the letters are addressed to the United Kingdom or to any colony or protectorate to which the ordinary postage from the United Kingdom is 1d. per oz. Parcels for His Majesty's ships abroad should be prepaid at the following rates:—

	s.	*d.*
Not exceeding 3 lb. in weight	1	0
Exceeding 3 lb. but not exceeding 7 lb.	1	9
Exceeding 7 lb. but not exceeding 11 lb.	2	6

In other cases than those provided for in the preceding paragraph, non-commissioned officers, schoolmasters, schoolmistresses, private soldiers, seamen, writers in His Majesty's Navy, whether serving at sea or on land, at home or abroad, the Cape Mounted Rifles, and enrolled pensioners in Canada, can send and receive prepaid letters *not exceeding the weight of half an ounce* for a postage of 1d. on condition that the name of the seaman or soldier, with his class or description, appears in the direction; and that the ship or regiment, corps, or detachment to which the seaman or soldier belongs is specified, the name of the ship or regiment being stated in full. It is further necessary in the case of letters sent by a soldier or seaman under these conditions that the covers should bear the signature of the officer having the command.

Specimens of the forms of address are given below:—

From *A.B.*, Sergeant, &c.——Regt.——
(Here the direction of the letter to be inserted)
C.D., Colonel *(or other commanding Officer)*
Regt.——

To *A.B.*
Private (*or* Sergeant, Corporal, &c.)——Regt.——
(Here the direction to be finished.)

Except when special arrangements are made to meet exceptional circumstances, letters, &c., for Commissioned Officers or Warrant Officers in the Army are liable to the same rates of postage as those of the general public.

If any letter posted in the United Kingdom for a place abroad under the above-mentioned provisions be unpaid or insufficiently paid, or if the class or description of the soldier or seaman be not written in the address, it will be detained and returned to the writer for payment of the full postage.

Correspondence for members of the British Expeditionary Forces abroad is subject to special conditions, which can be ascertained by enquiry at any Post Office.

REDIRECTION.

The principle of free redirection which is adopted throughout the Postal Union for letters, post cards, commercial papers, printed papers, and sample packets, does not exempt from additional postage letters, &c., which though fully prepaid for the first transmission, are redirected to a country to which the postage is higher than that originally prepaid. Thus a letter or packet prepaid at the inland rate, sent from one place to another in the United Kingdom, and afterwards redirected to a place abroad, should have additional stamps affixed to it representing the difference between the inland and the foreign rate of postage, otherwise the difference will be charged on delivery. The same treatment would be adopted with a letter or packet fully prepaid for the inland service of a foreign Country or Colony and redirected to the United Kingdom. Letters originally posted unpaid, and letters or packets posted insufficiently paid, and subsequently redirected, though not chargeable for redirection, are subject to the ordinary charge of double the deficient postage on delivery.

Letters, &c., redirected after delivery at the first address must be reposted not later than the day after delivery (Sundays and public holidays not being counted), otherwise they will be charged as freshly posted unpaid letters or packets, and the same course will be followed in the case of any letters, &c., which may appear to have been opened. Whenever thought necessary a receipt may be required from the addressee of a redirected letter or packet at the second address.

All registered letters or packets on being redirected must be taken back to the Post Office to be dealt with as registered and must not be dropped into a letter box as ordinary letters or packets. If brought later than the day after delivery (Sundays and public holidays not being counted), a fresh registration fee as well as fresh postage will be required.

Letters for Commissioned Officers, Non-commissioned Officers, Private Soldiers, or Seamen in the Army or Navy on actual service, are exempt from any charge for redirection, and are not subject to the usual restriction as to time for reposting.

Letters, &c., returned to the senders that they may rectify or complete the address are not, when reposted, treated as redirected, but as liable to fresh postage.

LETTERS, &c., BY PRIVATE SHIP.

Correspondence intended to be sent by Private Ship, must be addressed "By Private Ship:" and if by a particular vessel, the name of the ship must be added.

The postage and conditions of transmission of correspondence by a Private Ship are the same as by Mail Packet.

POST CARDS.

The prepaid rate of postage on every Post Card for a destination outside the United Kingdom is 1*d.*, and on every reply Post Card 2*d.* A Post Card from a place abroad, if unpaid, is chargeable with a postage of 2*d.*; if partially paid, with double the deficient postage, the surcharge in no case exceeding that on a wholly unpaid Post Card.

Cards used as Post Cards must be made of ordinary cardboard, not thicker than the material used for the thickest official Post Card and not thinner than the material used for the thinnest. They may not exceed 5½ inches in length by 3½ inches in width, or be less than 4 inches in length by 2¾ inches in width.

All official cards, and all reply-paid cards of private manufacture, must display the title "Post Card" on the address side, but this title is not obligatory for single cards of private manufacture. Reply halves of reply-paid cards must have the words "Post Card—Great Britain and Ireland" and "Reply."

Official Inland Post Cards may be used for destinations outside the United Kingdom, if they bear postage stamps to represent the additional postage required.

The right-hand half of the address side of a Post Card is in all cases reserved for the address of the recipient, for the postage stamp necessary for prepayment, which should so far as possible be placed in the upper right-hand corner, and for postal directions (such as "Registered," "Advice of Delivery," &c.); but the left-hand half of the address side as well as the back may be used by the sender for the purpose of a written communication, or may be otherwise disposed of subject to the following restrictions:—

Nothing may be attached to a Post Card except—

(*a*) Stamps in payment of postage or stamp duty;

(*b*) A gummed label (not to exceed 2 inches long and ¾ inch wide) bearing the name and address of the person to whom the card is sent;

(*c*) A similar label, bearing the name and address of the sender of the card; and

(*d*) Engravings, illustrations, drawings and photographs on very thin paper and completely adherent to the card.

The articles specified in paragraphs (*c*) and (*d*) may be affixed either to the back or the left-hand half of the address side.

A Post Card must not be folded, cut, or otherwise altered, nor may it be enclosed in a cover of any kind.

Post Cards not in accordance with the regulations are treated as insufficiently paid letters, unless eligible for transmission as printed papers.

Reply halves are available for transmission to the country of origin and to that country alone, provided they were in the first instance received attached to the other half. If addressed to other countries they are treated as unpaid Post Cards. Ordinary international Post Cards of one country posted in another are also treated as unpaid Post Cards.

PRINTED PAPERS AND COMMERCIAL PAPERS.

The prepaid rate of postage on Printed papers for all places abroad is ½*d.* per 2 oz. and on Commercial papers is 2½*d.* for the first 10 oz. and ½*d.* per 2 oz. thereafter. If not fully prepaid double the deficiency will be charged on delivery. Unpaid packets will be stopped. Insufficiently paid printed papers from abroad are charged double the deficiency within a limit of 1*d.* per 2 oz. and insufficiently prepaid Commercial papers double the deficiency within a limit of 5*d.* up to 10 oz., and 1*d.* per 2 oz. for heavier weights. If there be any mixture of Commercial and other papers in the same packet the whole is treated as Commercial papers.

The articles which are entitled to be sent at the rate applicable to PRINTED PAPERS are mostly impressions or copies obtained upon paper, parchment, or cardboard, by means of printing, lithography, engraving, photography, or any other mechanical process easy to recognise.

This description includes the under-mentioned articles wholly printed:—Newspapers, books (stitched or bound), periodical works, pamphlets, sheets of music, visiting cards, address cards, proofs of printing, plans, maps, catalogues, prospectuses, announcements, circulars, notices, engravings, photographs, and designs.

Besides these articles, there are some others which are admitted though not really printed matter, as, for instance, manuscript intended for the press (when sent with the relative proof), papers impressed for the use of the blind, albums containing photographs, and cardboard drawing models stamped in relief.

Anything, not being of glass, usually attached or appurtenant to any of the before-mentioned articles, in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post, may also pass at the rate applicable to such articles, provided it is contained in the same packet.

Postage stamps, whether obliterated or not, and in general all printed articles constituting the sign of a monetary value; blank paper, notepaper or envelopes (with or without printed address), and all other articles of stationery pure and simple are excluded from transmission at the rate applicable to printed papers.

The products of the copying press and typewriter are not admitted at the rate for printed papers; nor, as a rule, are printed papers, the text of which has been modified after printing, either by hand or by means of a mechanical process, or marked so as to constitute a conventional language. Nevertheless, manuscript additions of the kinds specified below are admitted:—

Printed circulars may be dated in manuscript or by a mechanical process, and the name and address of the sender and of the recipient as well as an indication of his trade or profession may be added. Corrections and insertions may be made in manuscript or by mechanical process in regard to names of commercial travellers, dates of their journeys, and the places they intend to visit, the names and dates of arrival and departure of ships, names of persons invited to meetings, and the place, date, and object of the meetings, and the date of despatch may be inserted in advices of despatch of goods.

On printed visiting cards and Christmas and New Year cards the address and title of the sender may be written, and conventional initials, such as "p.p.c.," and also good wishes, congratulations, thanks, condolences, or other formulas of courtesy, expressed in not more than five words.

Printers' proofs may be corrected in manuscript; additions which relate to accuracy, form, and printing may be made, and in case of want of space additional sheets may be used; the author's manuscript may be enclosed; printers' errors in other printed documents may also be corrected, and figures may be inserted or corrected in prices current, tenders for advertisements, trade circulars, prospectuses, and stock and share lists.

Packets of books, papers, music, photographs, engravings, and Christmas and New Year cards may contain the invoices relating to the articles sent; and a book may have a presentation inscription written in it.

In forms of order or subscription for books, the works required or offered may be indicated in manuscript.

To cuttings from newspapers and periodical publications may be added in manuscript or by a mechanical process the title, date, number and address of the publication from which the article is extracted.

Circulars which are in other respects admissible, but which are printed or lithographed in characters resembling those of the typewriter, or are produced by means of any mechanical process from type-written originals, will be admitted at the rate for printed papers, provided that they are handed in at the counter of some Head or Branch Post Office, that special attention is called to the fact that they are printed or reproduced in type-written characters, and that at least *twenty copies* are posted at the same time. Such Circulars are also accepted provisionally at Town Sub-Offices and at certain of the more important Rural Sub-Offices, subject to their being found to be in order when examined at the nearest Head Office to which they will be sent.

"Commercial Papers" comprise all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of Legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal written on stamped or unstamped paper, Way Bills, Bills of Lading, Invoices, Receipts for goods or money, and other documents of a mercantile character, documents of Insurance and other public Companies, all kinds of manuscript Music, the manuscript of Books and other literary works, letters and post-cards of old date which have already filled their original purpose, pupils' exercises either in original or with corrections but without any comment on the work, and other papers of a similar description.

The limit of weight for packets of samples for British Colonies or Possessions, or for non-Union countries is 5 lb., but for foreign countries in the Postal Union the limit is 12 oz.

A packet of samples sent to any British Colony or Possession or non-Union country must not exceed 2 feet in length by one foot in width or depth, but to any foreign place comprised in the Postal Union a packet must not exceed 12 inches in length, 8 in width, and 4 in depth, unless it be in the form of a roll, when the limit of size is 12 inches in length and 6 inches in diameter.

In order to secure the return of packets which cannot be delivered the names and addresses of the senders should be printed or written *outside*.

There must be no writing or printing upon or in any sample packet for non-Union countries except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise. A sample packet for a country in the Postal Union may contain, besides these particulars, any Printed Papers; and, if the rate applicable to Commercial Papers be paid, it may also contain Commercial Papers.

Though under the regulations of the Postal Union articles liable to Customs Duty may only be sent by Parcel Post, or Insured Box Post, this rule is relaxed for samples in certain countries. In the United Kingdom incoming samples liable to Customs Duty are, as a general rule, admissible when sent in quantities so small as to have practically no saleable value; but outgoing samples liable to Customs Duty are, in some instances, delivered either free or on payment of the duty, and in others they may be withheld from delivery. Samples of tea exceeding eight ounces in gross weight are not in any case accepted for transmission abroad, and some countries have fixed a still lower limit both for tea and for certain other articles. Samples of tea addressed to France must not weigh more than 20 grammes (a little less than ⅔ of an ounce). The importation of tobacco by Sample Post into the United Kingdom is prohibited, with the sole exception of packets of type samples of unmanufactured tobacco not exceeding six ounces in gross weight, which are delivered on payment of 2*s.* 0*d.* Customs Duty.

Samples of Spirits (except perfumed spirits) can be imported, provided that the samples are plainly marked "spirits (not perfumed)." Each packet is liable to a charge of 8*d.* Customs Duty. Samples of wine are admitted free of Customs charges. The gross weight of any sample packet containg wine or spirits must not exceed 12 oz.

Sample packets containing liquids, greasy substances or live bees can be sent to countries in the Postal Union. They must be made up so that they can be easily opened for purposes of inspection, with the exception of packets containing live bees, which must be enclosed in boxes so constructed as to allow the contents to be ascertained without opening. The bottles used for enclosing liquids must be of glass, and all articles of glass must be securely packed in boxes of metal or wood.

Liquids, oils and substances easily liquefied must be enclosed in glass bottles, hermetically sealed. Each bottle must be placed in a wooden box furnished with sawdust, cotton or spongy material in sufficient quantity to absorb the liquid in the event of the bottle becoming broken. Finally, the box itself must be enclosed in a case of metal with tightly-fitting lid, of wood with a screw top, or of strong and thick leather; but when perforated wooden blocks are used having a thickness of at least 2½ millimetres (about ⅛ of an inch) in the thinnest part, sufficiently provided inside with absorbent material and supplied with a lid, it is not necessary for the blocks to be enclosed in a second case.

Fatty substances which are not easily liquefied, such as ointments, soft soap, resin, etc., must be enclosed in an inner cover (box, bag of linen or parchment, etc.), which must itself be placed in a second box of wood, metal, or strong and thick leather. Dry colouring powders must be placed in bags of leather, rubber-dressed linen, or stout oiled paper; but non-colouring powders may be packed in boxes of wood, metal or cardboard. It is essential that in both cases the bags or boxes of powder shall be themselves enclosed in bags of linen or parchment.

Explosives are absolutely prohibited.

Dangerous articles such as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, are eligible for transmission by Sample Post, provided that they are *bonâ-fide* samples without saleable value, and are packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and to the Officers of the Post Office, while at the same time they may be easily examined.

Deleterious liquids or substances may be sent abroad for medical examination or analysis, by Sample Post only, under similar conditions to those prescribed for "Articles sent" (by Inland Letter Post) "for Medical Examination or Analysis."

CASH ON DELIVERY SERVICE.

This is an arrangement for collecting from the recipient for remittance to the sender, by Money Order or Postal Order, the value of articles sent as parcels (insured or uninsured), insured letters, or registered packets. The amount to be collected is called the "Trade Charge" and it may in no case exceed £20 on any one packet. In the case of a parcel it must not exceed the amount of the declared value together with the postage and the fees payable on the parcel in connection with the Cash on Delivery Service. A delivery fee will be deducted, with the commission on the Money Order or Postal Order by which the remittance is made, from the amount of the Trade Charge collected. Articles on which Trade Charges are to be collected may be posted at any Post Office in the United Kingdom.

CORRESPONDENCE TO AND FROM SHIPS.

The special arrangements hitherto made for the delivery of letters addressed to persons on certain mail steamers are suspended, except in the case of letters addressed to persons on board a mail packet of the Peninsular and Oriental Company calling at Marseilles. The Post Office cannot give any information as to the probable date of arrival at Marseilles of any such steamship, or as to the latest time for posting a letter to reach it at Marseilles; but such letters will be accepted at the sender's risk. They must be registered (they cannot be insured), the postage and registration fee must be fully prepaid, and they must be addressed to the care of the Commander of the Packet. The letters should be addressed thus: "Mr. ———— for ———— on board the mail packet ————, at Marseilles, care of Commander of the Packet."

All persons on board British ships on the high seas are entitled to send their correspondence prepaid by means of British postage stamps. They should send such correspondence to the master, or to such officer he may appoint to receive it, in order that it may be specially conveyed to the Post Office at the first port of arrival.

Prepayment of letters posted on the high seas should be effected at the following rates:—

1d. per ounce if addressed to the United Kingdom or to any British Colony or Possession, or to places in Morocco where there are British Post Office Agencies.

2½d. for the first ounce and 1½d. for each additional ounce, if addressed to a Foreign Country.

Postcards should be prepaid 1d. each.

Letters or Post Cards written in Foreign or Colonial waters should be prepaid by means of local stamps at local rates, and should be posted in the ordinary manner.

Certificates of Posting of Unregistered Correspondence (except Parcels).

Any person who desires proof that an unregistered letter, postcard, printed paper, commercial paper, or sample packet has been posted to a particular person, should hand in the letter or other article at a Post Office and ask for a certificate of posting. The fee is ½d. payable by means of a stamp, which must be affixed by the sender to the form of certificate. The articles will be treated in the same way as ordinary letters, &c., and the certificates furnish no proof of the contents of the packets, nor will they confer title to compensation in the event of loss, damage or delay.

INTERNATIONAL EXPRESS SERVICE.

When the addressee resides in the immediate neighbourhood of a Post Office no charge will be made on delivery, but when the place of address is beyond the limits of the ordinary Postal delivery an additional charge will be levied in the country of destination at its Inland Express rate, allowance being made for the 3*d.* prepaid by the sender.

Correspondence from these Countries marked for Express delivery, and prepaid an Express fee in addition to the postage, will be delivered by Express Messenger from the usual Delivery Office in London, or within a distance of one mile from the local Post Office in the provinces, without further charge; but if Express delivery is

required to be made from the General Post Office or from the Head District Office in London at an address outside the ordinary delivery of such Office, or beyond a distance of one mile from the local Post Office in the provinces, the charge will be at the same rate as for Inland Express letters, viz., 3*d.* a mile, and will be collected from the addressee, but in consideration of the fee prepaid by the sender, 3*d.* will be deducted from the charge for the full distance.

Prepayment.

The postage must in all cases be prepaid, and by means of postage stamps which must be affixed by the sender, and no parcel will be accepted for transmission which is not sufficiently prepaid.

Addressing, &c., and mode of Posting.

A parcel must be plainly directed, and the name of the country or colony in which the place of destination is situated must be added. It should be marked "Parcel Post" and be taken into a Post Office, and presented at the counter. It is also desirable that the sender's address should appear either inside the parcel or on the cover. Rural postmen and mail-cart drivers are authorised to receive parcels, together with the necessary forms, on the understanding that they will not be considered as finally accepted until they have been examined at a post office and found in order.

Customs Declaration and Despatch-note.

Parcels are subject to Customs regulations, and the sender of each parcel is required to make, for Customs purposes—upon a special form or forms, which can be obtained at any Post Office—an accurate statement of the nature and value of the contents and other particulars. The net weight or quantity of the various articles contained in a parcel should be separately stated and any other particulars which would facilitate the assessment of Customs duty; such as, in the case of clothing, the material of which it is composed and whether it is new or has been worn. In the case of articles returned to the country where they originated, the fact should be stated. Two forms of Customs declaration are in use:—(1) An adhesive form, intended to be affixed to the covers of parcels for British Colonies and Possessions and for a few foreign countries; and (2) a non-adhesive form which is used with parcels for all other Foreign Countries. A number of identical copies of the latter form have in many cases to be made out. The forms for foreign parcels should, when possible, be filled up in both English and French. When a non-adhesive form is used the sender must also fill up a Despatch-note.

Customs Duty and Charges on Delivery.

All parcels are liable to be opened for Customs examination, and their contents are subject to Customs duty according to the laws of the country or colony of destination. The duty is collected from the addressee on delivery, except in the case of parcels sent under the arrangements explained in par. below. In most Foreign Countries and British Colonies the articles which are not subject to Customs duty on importation are comparatively few. The Post Office can give no information as to the Customs tariff or procedure of particular countries; nor does it accept any responsibility for loss, delay, or charges arising from the Customs or sanitary regulations to which the contents of parcels are subject.

On importation into Australia, Canada, New Zealand, Rhodesia, the Union of South Africa, the Bechuanaland Protectorate, Barbados, British Guiana, Leeward Islands (except Virgin Islands), Trinidad and Tobago, and Windward Islands, certain articles produced or manufactured in the United Kingdom are entitled, when accompanied by a suitable certificate or statement of origin, to preferential rates of Customs duty, according to the tariff of the particular Colony. Information regarding the certificates can be obtained at any Post Office.

Arrangements have been made whereby persons sending parcels to the under-mentioned countries and places can take upon themselves the payment of the Customs and other charges ordinarily payable by the addressees:—

FOREIGN COUNTRIES.

Algeria	French West Indies	Montenegro
Corsica	France	New Caledonia
Dahomey	Holland	Norway
Denmark	Iceland	Senegal
Dutch East Indies	Italy	Sweden
Faröe Islands	Ivory Coast	Switzerland
French Guiana	Luxemburg	United States

French Indo-China	Mauritania

BRITISH POSSESSIONS.

Aden	Grenada	Seychelles
Australia	India	Sierra Leone
Barbados	Jamaica	St. Lucia
British Guiana	Leeward Islands	St. Vincent (W. Indies)
British New Guinea	Malta	Somaliland, British
Canada	Mauritius	South Africa—Union of
Cyprus	New Zealand	South West Africa
Egypt	Nigeria (Southern)	Tobago
Falkland Islands	Rhodesia (Southern)	Trinidad
Gambia		

The sender must pay a fee of 6*d*., sign an undertaking to pay on demand the amount due, and make a deposit on account of the charges. In the case of parcels for Australia, Canada, New Zealand, Southern Rhodesia, South West Africa, the Union of South Africa and the United States of America a deposit of 1*s*. for each 2*s*. or fraction of 2*s*. of the value of the parcel, with a minimum deposit of 5*s*., is required; for any other destination abroad the deposit is 1*s*. for each 5*s*. or fraction of 5*s*. of the value of the parcel. A final settlement will take place when the amount due has been notified by the country of destination. Parcels intended to be sent under these arrangements must, as a rule, be handed in at a Head or Branch Post Office.

Forbidden Articles, Enclosures, &c.

No article which is inadmissible by the Inland Parcel Post may be sent by the Foreign and Colonial Parcel Post, nor any enclosure which bears an address different from that placed on the cover of the parcel.

No *letter*, even if addressed in the same way as the parcel in which it is enclosed, may be sent in a parcel addressed to any Foreign Country or to many British Possessions, but Parcels for some British Possessions may contain a letter for the addressee. Invoices in open envelopes, giving simply particulars of the goods contained in the parcel, may be enclosed in any parcel.

Further, no parcel is admissible which contains base or counterfeit coin, articles infringing trade mark or copyright laws, any article or substance liable to become offensive or injurious through natural decay during the time ordinarily occupied in transmission (for example, butter, &c., addressed to a tropical or sub-tropical country, or having to pass through the tropics), unless enclosed in a hermetically-sealed tin, or any article or substance specially prohibited from importation into the Country or Colony to which the parcel is addressed. In addition there are various other articles which are now prohibited by Royal Proclamation from exportation from the United Kingdom except under the authority of a licence. Particulars of these articles and information respecting them can be obtained from the Secretary, War Trade Department, 4 Central buildings, Westminster, S.W.1.

Plants are not in ordinary conditions admitted into most of the Countries of Europe, for fear that phylloxera may be introduced with them. There are, however, special conditions in which parcels of plants (except vines) are admitted into some of these Countries, the chief conditions being that the plants must be packed securely but in such a way that they can be easily examined, and must be accompanied by a declaration of the sender, attested by some competent authority, that there has been no vine in or near the ground from which the plants come. The declaration must be attached to the despatch note of the parcel to which it relates. The despatch note, the Customs declarations and the cover or label of the parcel should be endorsed "Phylloxera certificate annexed."

No parcel containing coin (unless clearly intended for purposes of ornament) or bullion exceeding £5 in value will be accepted for transmission from this country to places abroad.

Coin, jewellery, or any article of gold or silver cannot be sent by Parcel Post to any Foreign Country or British Possession included in the insurance system, unless they are insured for at least part of their value, and are packed and sealed in accordance with the special regulations.

The rules as regards articles which require to be packed with special care must be observed in the case of Foreign and Colonial parcels. More careful and substantial packing is necessary for such parcels than for inland parcels, with due regard to length of journey, conditions of transit, climatic conditions, etc. Light and bulky articles should be packed in strong wooden cases. No compensation is paid for damage to articles inadequately packed. Parcels for Eastern European countries and, generally, any parcels which have to withstand a long transit by land should be packed in some material stronger than paper or cardboard. In Canada all parcels are conveyed in the ordinary mail bags. They should accordingly be very strongly packed, in order to prevent injury.

For parcels containing liquids and substances which easily liquefy, the following method should be adopted:—Two receptacles must be used, and between the inner one, which contains the liquid, and the outer one, which must be of wood or metal, space should be left all round, and this space should be filled with bran, sawdust, or other absorbent material.

Parcels for His Majesty's Ships.

Parcels for His Majesty's ships abroad should be prepaid at the following rates:—

	s.	d.
Not exceeding 3 lb. in weight	1	0
Exceeding 3 lb. but not exceeding 7 lb.	1	9
Exceeding 7 lb. but not exceeding 11 lb.	2	6

All parcels for H.M. ships abroad will be forwarded to a base port, and if they cannot be delivered to the ships at those bases, any opportunities that occur will be taken to send them thence to their destination by service vessels, but delay may be involved.

If the sender of a parcel does not know whether the ship to which the parcel is addressed is abroad or not, he should address the parcel "c/o the General Post Office, London E.C." and should prepay at the inland rate of postage only. If it is found subsequently that the parcel has to be sent abroad the sender will be required to pay the difference between the inland and the foreign rates of postage.

Delivery of Parcels.

In many Foreign Countries and Colonies parcels are not, like letters, delivered at the residences of the addressees. Notice of the arrival of a parcel is sent to the addressee, who must claim it at the Post Office, Railway Station, or Custom House where it is lying.

In Belgium, France and Spain parcels are delivered by the Railway Companies, and not by the Post Office, and parcels intended to be called for should not be addressed to a *poste restante* in those countries, but to a railway station *(en gare)*.

Express Delivery.

Persons sending parcels to the undermentioned countries can have them delivered by special messenger on arrival at the place of destination, by prepaying a fee of 5*d*. in addition to the postage:—Algeria, Azores, Belgium, British Guiana (Georgetown and New Amsterdam only), Denmark, Egypt, France (including Corsica), Holland, Japan, Luxemburg, Madeira, Montenegro, Norway (certain towns only), Portugal (by sea only), St. Lucia, Sierra Leone (Freetown only), South Africa (Union of), Sweden and Switzerland.

In Sweden Express Delivery is confined to towns; and only the advice of the arrival of a parcel is delivered by special messenger.

The word "Express" must be written boldly on the cover of such parcels above the address, and also in the left-hand top corner of the Despatch-note.

The special fee of 5*d*. must be prepaid by means of stamps affixed by the sender to the cover or label of the parcel.

This fee covers the express delivery of parcels addressed to houses in the neighbourhood of the Post Offices of destination, but when the residence is beyond the limits of the ordinary parcel delivery, an additional charge is levied in the country of destination at its inland express rate, allowance being made for the 5*d*. prepaid by the sender. In some places only an advice of the arrival of an express parcel is delivered by special messenger.

Parcels from places abroad, marked for express delivery, on which an express fee has been prepaid in addition to the postage, are delivered in this country under similar conditions.

In the undermentioned British Colonies parcels are accepted for express delivery in this country, although there are in those Colonies no arrangements for delivering by special messenger correspondence from the United Kingdom :—

Bahamas	Gibraltar	St. Vincent
Barbados	Grenada	Sarawak
Bermuda	Hong Kong	Seychelles
British Honduras	Malta	Straits Settlements
Ceylon	Queensland	Trinidad
Cyprus	St. Helena	

The express fee of 5*d.* should be prepaid by the sender ; and there will be no charge for delivery to be paid by the addressee, unless he resides more than a mile from the delivering office.

Re-direction and Return of Parcels.

Parcels arriving in this country and re-directed from one address to another in the United Kingdom are liable to additional postage at the inland rate for each re-direction, except where the original and second address are both within the delivery of the same Post Office, and the re-direction is made within the period of free re-direction.

A parcel re-directed from one country to another is charged the full postage.

Undelivered Parcels.

A parcel which cannot be delivered is, unless of a perishable nature, kept for a reasonable time before being finally disposed of. The sender is advised, provided that his address is given on the parcel, or on the forms which accompany it, and his instructions for its disposal are sought. Special arrangements are, however, in force in some places, and in some places a charge for warehousing is made.

Compensation for Loss or Damage.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily and as an act of grace) give compensation for the loss or damage of uninsured parcels sent by Parcel Post between the United Kingdom and the undermentioned British Possessions and Foreign Countries when such loss or damage takes place while the parcels are in his custody, and does not arise from any fault or neglect of the senders or the nature of the contents.

The compensation paid will in no case exceed £1.

In the case of parcels lost or damaged while under the control of the Post Offices of the above-mentioned British Possessions and Foreign Countries, the Postmaster-General will endeavour to obtain compensation for the senders under similar regulations. In the case of France and some other countries the amount of compensation is limited to 15 francs for parcels not exceeding 7lb. in weight.

No compensation is payable for the loss or damage of an uninsured parcel sent to or from any British Possession or Foreign Country other than those mentioned above.

The compensation payable will be in accordance with the general regulations of the Inland Parcel Post, and the rules as regards insured parcels, as far as these are applicable.

Parcels for the United States.

The parcel post with the United States is carried on by means of two distinct services, namely, an official service with the United States Post Office, and a semi-official service maintained through the agency of the American Express Co.

The sender of a parcel forwarded by the semi-official service may without extra charge direct that it be sent through the New York Custom House in bond for Customs examination at any of the United States "Ports of Entry" or Inland Custom Houses. The addressees of such parcels must however make arrangements for the delivery of parcels so treated after they have been cleared at the Custom House of the Inland Port of Entry.

Parcels intended to be forwarded in bond must be plainly marked by the sender "In bond to————————," naming the Inland Port of Entry chosen; and the same words must also be written by the sender on the Customs declaration and Despatch note. These superscriptions should be in the same handwriting.

General.

Where they are not in conflict with the foregoing rules, the general regulations of the Inland Parcel Post apply to Foreign and Colonial parcels.

Insurance of Foreign and Colonial Parcels.

Parcels for the undermentioned Foreign Countries and British Possessions can be insured.

The insured Parcels have all the safeguards of the registration system, and, subject to the following regulations, compensation will be paid if they or any of their contents are lost in the Post.

The sums payable for insurance, including registration, are the same as for letters.

The sums payable for the insurance of Parcels for the United States by the semi-official service are at the following special rates:—

	£	s.	d.

Regulations.

The fee must be prepaid in addition to the full postage by means of postage stamps, which the sender must affix to the cover of the parcel. A certificate of posting must always be obtained by the sender.

No parcel can be insured for more than its actual value, or for more than the sum set in the foregoing lists. Over-Insurance is an obstacle to compensation.

The sum for which a parcel is to be insured must be entered on the cover thus :—"Insured for ten pounds (£10)." It must also be inscribed in the place provided on the Despatch-note if one is used. No alteration or erasure of the entry is permitted.

Every insured parcel must be packed carefully and substantially, with due regard to the nature of the contents and the length of the journey, and must be sealed with wax, lead or steel bearing a private mark in such a way that it cannot be opened without either breaking the seal or leaving obvious traces of violation. For instance, seals must be placed over each join or loose flap of the covering of a parcel, and if string be used in packing, a seal must be placed on the ends of the string where they are tied. It is strongly recommended that, when possible, an impression of the seal used on the parcel should be made on the counterfoil of the Despatch-note.

Parcels containing coin, watches, jewellery, or any article of gold or silver, must be enclosed in strong boxes or cases, which must be sewn up, or otherwise fastened, in wrappers of linen, canvas, strong paper, or other substantial material. In such cases the seals must be placed along the edges of each join or loose flap at distances not more than three inches apart. The address of such parcels must be written on their actual covering.

If a parcel tendered for insurance does not, in the opinion of the officer to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it; but the onus of properly packing and sealing the parcel lies upon the sender; and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.

Unless parcels containing coin, watches, jewellery, or any article of gold or silver, are insured for at least part of their value they cannot be sent by Parcel Post. Any such parcel posted uninsured will generally be returned to the sender. A compulsory registration fee of 4*d.* will be collected on the delivery of every uninsured parcel received from the places above mentioned, and found to contain coin, watches, jewellery, or any article of gold or silver.

When an insured parcel is re-directed from one country to another, fresh postage and a fresh insurance fee becomes payable for each such transmission. If the fees are not prepaid they are collected from the addressee on delivery. Insured parcels can only be re-directed to countries which have adopted the insurance system.

Compensation for a parcel lost or damaged in the Post will not exceed the amount of the actual loss or damage, and will not be paid at all for a parcel containing any prohibited article, or for any parcel which has been delivered without external trace of injury and has been accepted without remark; nor does it follow that compensation will be given when loss or damage arises from tempest, shipwreck, earthquake, war, or other causes beyond control. No compensation will be paid for any loss or damage resulting from acts of the King's enemies. No claim for compensation will be admitted if made more than a year after the parcel was posted. The sender has the first claim to any compensation which may be payable, but he may waive his claim in favour of the addressee.

No legal liability to give compensation in respect of any parcel for which an insurance fee has been paid attaches to the Postmaster-General, either personally or in his official capacity. The final decision upon all questions of compensation rests with the Postal Administration of the country in which the loss or damage has taken place.

The insurance system also applies to parcels from the places mentioned above, but parcels to or from other places abroad cannot be insured.

Any insurance effected contrary to the foregoing regulations is invalid.

POSTING OF LATE LETTERS AND NEWSPAPERS AT LONDON RAILWAY STATIONS ON WEEK DAYS.

In order to afford the public the means of posting letters and newspapers for most of the principal mails despatched from London up to the latest possible time, letters and newspapers are received at the railway stations from which the mails are respectively despatched, on payment with each of a late fee of ½d. The fee as well as the postage must be prepaid in stamps.

The subjoined table shows at what stations this arrangement prevails, the mails to which it is applicable, and the respective periods during which letters can be posted. A special late letter box is erected for the purpose at each of the stations mentioned. Any letter or newspaper found in these late letter boxes insufficiently stamped will not be forwarded by the outgoing mail.

In view of the restricted number of postal collections and deliveries now afforded throughout the Kingdom, it is particularly desirable that letters should be posted as early in the day as possible. In many rural districts there is only one delivery, and letters for such districts, unless posted in time for early evening mails, will not be delivered until the second day after posting. Early posting also facilitates the work of the Post Office Sorters, and, on account of the great depletion of staff for military purposes, this assistance will be much appreciated.

LETTER POST.

The prepaid rate of postage is :—

Not exceeding 1 oz. in weight	1d.
Not exceeding 2 oz.	2d.
For every additional 2 oz.	½d.

Letters posted *unpaid* are chargeable on delivery with double postage; letters *insufficiently* paid, with *double* the amount *of the deficient postage*.

At the Chief and District Post Offices, and at the Bedford Street, Charing Cross, Gracechurch Street, Kingsland High Street, Leytonstone High Street (801), Lombard Street, Ludgate Circus, Fenchurch Street, Stratford High Street, Walthamstow (Hoe Street), Throgmorton Avenue, Kensington Young Street), Battersea, Norwood, Walham Green and Woolwich Post Offices in London, as well as at the Head Offices in Edinburgh, Dublin, and certain large Provincial Towns, *inland letters, postcards, book and sample packets* and *parcels* may be prepaid in money, provided that the articles are chargeable with a uniform rate of postage, that the amount paid is in no case less than £1, and that the letters and packets be tied in bundles representing a postage of 5s. each (or 2s. 6d. each in the case of exceptionally bulky packets) with the addresses arranged in the same direction.

At the District Post Offices, and at the Bedford Street, Charing Cross, Gracechurch Street, Lombard Street, Ludgate Circus, Throgmorton Avenue and Fenchurch Street Post Offices in London, such letters, postcards, packets and parcels must be presented at the counter between 9 a.m. and 3.30 p.m., at Kensington (Young Street), Kingsland High Street, Leytonstone High Street (801), Stratford High Street, Walthamstow (Hoe Street), Walham Green, Woolwich, Battersea Head Office, Lavender Hill, and Norwood Office, 35, Westow Street, between 9 a.m. and 3 p.m. and at the Chief Office between 9 a.m. and 4 p.m. In Provincial Towns the hours of posting are from 10 a.m. to 4 p.m.

This arrangement applies only to Inland Correspondence; that addressed to the Colonies or to Foreign Countries, *must be prepaid by stamps*.

No Letter may exceed *two feet* in length, *one foot* in width, and *one foot* in depth.

POST-CARDS.

The prepaid rate of postage on every post-card is a halfpenny, and on every reply post-card a penny. A post-card posted unpaid is chargeable on delivery with a postage of one penny.

Cards used as post-cards must be made of ordinary cardboard, not thicker than the material used for the thickest official post-card, and not thinner than the material used for the thinnest. They may not exceed 5½ inches in length by 3½ inches in width, or be less than 4 inches in length by 2¾ inches in width.

Nothing may be attached to a post-card except stamps in payment of postage or stamp duty, a gummed label (not to exceed 2 inches long and ¾ inch wide) bearing the name and address of the person to whom the card is sent, a similar label bearing the name and address of the sender of the card, and engravings, drawings, photographs and printed matter on very thin paper and completely adherent to the card. A post-card may not be folded, nor may it be cut or altered in such a way as to reduce the size below 4 by 2¾ inches. A post-card may not be fastened against inspection in any way, or enclosed in a cover of any kind.

If any of the foregoing rules be infringed the card will be treated as a letter.

The gummed label, bearing the sender's name and address and the engravings, &c., may be affixed either to the back of the card or to the left hand half of the address side. The right hand half of the address side is reserved exclusively for the postage stamp and the address. Contravention of this regulation may result in the card being withheld from delivery.

BOOK PACKET POST.

The prepaid rate of postage is :—

Not exceeding 2oz. in weight	½d.
Every additional 2oz. or fraction of 2oz.	½d.

The Book Packet Post can be used only for packets not exceeding 5 lbs. in weight. It is not intended for the conveyance of goods, samples or patterns, and is confined strictly to such articles as are described below.

Packets coming within the definition given below, and not exceeding 5 lbs. in weight, may be sent at the Book Post rate if the following conditions are complied with :—

The packet must be posted without a cover or in an unfastened envelope or in a cover which can be easily removed for the purpose of examination without breaking any seal, or tearing any paper, or separating any adhering surfaces.

The packet must not exceed 2 feet in length or 1 foot in width or depth.

If a packet complying with the Book Post Regulations is posted unpaid or underpaid, it will be charged double the deficiency on delivery or be transferred to the Parcel Post and charged with a fine of 1d. in addition to any deficient parcel postage, whichever charge is the lower.

The expression "book packet" means a packet which consists of or contains one or more of the following articles or documents, that is to say :—

(*a*) Books and other publications or works of a literary character, and any other written or printed matter not being in the nature of a letter (on paper or on some substance ordinarily used for writing or printing).

*A printed form within the meaning of the regulations is one bearing printed matter clearly indicating the purpose for which the form is intended to be used. The form must be appropriate; *e.g.*, an ordinary memorandum form may not be used.

Any two or more documents coming within the definition of a book packet may appear on the same sheet of paper, provided they are kept wholly distinct from one another.

In this definition expressions referring to print or printing shall be taken to refer to any species of type-printing easy to recognise, and to include lithography, hand-stamping, or any mechanical process ordinarily used to produce a number of identical copies of written matter, and easy to recognise, and in relation to circulars shall also be taken to include type-printing after the fashion or in imitation of type-writing, and also the reproduction of type-writing by the mimeograph or any other mechanical process ordinarily used to produce a number of identical copies of written matter.

Documents wholly or partly printed in imitation of type-writing, or re-produced from a type-written original by a mechanical process ordinarily used to produce a number of identical copies, are not amissible by book post unless—

(*a*) They are handed in at a Head or Branch Post Office. (Such documents are also provisionally accepted at Town Sub-Offices and at certain of the more important Rural Sub-Offices, subject to being found in order when examined at the Head Office, to which they will be sent);

(*b*) Special attention is drawn to the fact that they are printed or re-produced in imitation of type-writing;

(*c*) At least twenty copies are posted at the same time.

These conditions are not enforced when the documents are not in the nature of a letter or are within any of the descriptions specified in the foregoing Tables.

NEWSPAPER POST.

Copies of publications registered for transmission at the Inlan Newspaper Rate are subject to the following rate of postage :—

For every copy not exceeding 6 oz. in weight ..... ½d.
with a further ½d. for every additional 6 oz. or fraction of 6 oz.

If two or more copies are enclosed in a single packet, each copy will be liable to the same postage as if it had been posted separately. But in no case will a packet of such copies be chargeable with a higher rate than that chargeable on a book packet of the same weight.

A newspaper or packet of newspapers posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

Any publication coming within the following description can, upon payment of an annual fee of 5*s.*, be registered at the General Post Office for transmission by Inland post as a newspaper.

a. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

b. It must be printed and published in the United Kingdom, or in some British possession or protectorate, and in numbers at intervals of not more than seven days.

c. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title, and the date, at the top of every subsequent page. This regulation applies also to "Tables of Contents" and "Indexes."

d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or a piece or pieces of paper put together at some one part of the newspaper whether gummed or stitched up with the newspaper or not; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. It must in every case be published with the newspaper, and have the title of the newspaper printed at the top of every page, or at the top of every sheet or side on which any engraving, print, or lithograph appears. The supplement or supplements issued with any number of a registered newspaper may not exceed the newspaper itself in size or weight.

Every newspaper should be so folded and covered (if posted in a cover) as to permit the title to be readily inspected.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends, which can easily be removed for the purpose of examination.

Neither a newspaper nor the cover of a newspaper may bear anything except the names and addresses and descriptions of the sender and the addressee, with index or reference numbers and letters, the words "with compliments," a request for return in case of non-delivery, the title of the newspaper and a reference to its registration for transmission by post, and a reference to any place in the newspaper to which the attention of the addressee is directed

No article (not part of the newspaper) may be posted in the same cover with a newspaper.

If any one of the foregoing rules is infringed the newspaper packet (unless admissible as a book packet) is either charged as an insufficiently paid letter or transferred to the Parcel Post and charged a fine of 1d. in addition to any deficient parcel postage whichever charge is the lower.

No newspaper packet may exceed 2 lb. in weight, two feet in length, or one foot in width or depth.

Newspapers not registered at the General Post Office are treated in the post as book packets.

SAMPLE POST.

The prepaid rate of postage is:—

Not exceeding 4 oz.	1d.
Between 4 oz. and 6 oz.	1½d.
Between 6 oz. and 8 oz.	2d.

No packet will be transmissible at this rate which exceeds 8 ounces in weight, 12 inches in length, 8 inches in width, or 4 inches in depth.

No article will be admissible at this rate unless it be in fact a sample, itself without saleable value, of goods for sale. In the expression "Sample" a pattern is included when sent as a sample. In especial, the Sample Post is not intended for the conveyance of goods of any kind, however small the quantity, from a dealer to an actual or possible purchaser, or from one private person to another.

Packets must be sent in wrappers marked "Sample Post," open at the ends, or in unfastened envelopes, and must be made up in such a manner that the contents can be easily withdrawn for examination. Seeds, tea, flour, drugs and such-like articles, which cannot be sent in open envelopes or wrappers, may be sent in boxes or in bags of linen or other material fastened in such a way as to admit of easy examination.

The name, trade, and address of the dealer by whom the packet is sent must be in all cases printed or conspicuously stamped on the outside of the wrapper or on the label.

If re-posted to the dealer by whom it was originally sent, a packet will be allowed to pass at the Inland Sample Rate provided that it be enclosed in a wrapper having the dealer's name, trade and address, and the heading "Returned Sample" printed or conspicuously stamped upon it.

No packet may enclose a written document nor anything written on the sample itself which would not be allowed if the packet were being sent at Book Rate. Any packet marked for transmission at Sample Rate but not in fact admissible thereby will be charged with double the deficient postage at the Letter Rate, or will be transferred to the Parcel Post and charged with a fine of a penny in addition to any deficient parcel postage, whichever charge is the lower.

In accordance with the law all sample packets must, like all other postal packets, be so packed as to be unlikely to injure postal packets conveyed with them, or Post Office servants dealing with them. And as all articles sent at Sample Rate must be so sent as to admit of easy examination, especial care is necessary where the article is of a nature likely to cause damage.

ADDRESSES AND PETITIONS TO KING AND PARLIAMENT.

Petitions and Addresses forwarded to the King are exempt from postage. Members of either House of Parliament may receive by post Petitions and Addresses to His Majesty, and Petitions for presentation to either House of Parliament, not exceeding 2 lb. in weight, exempt from postage, provided such Petitions and Addresses be sent without covers, or in covers open at the ends.

PARLIAMENTARY PROCEEDINGS.

Printed Votes or Proceedings of the Imperial Parliament in open covers having the words "Parliamentary Proceedings" written or printed thereon, are subject to no limits of size and weight. The postage is at the rate of one halfpenny for every 2oz., whether prepaid or not.

PARLIAMENTARY AND MUNICIPAL REGISTRATION NOTICES, JURY SUMMONSES.

Particulars as to the conditions under which these documents may be served by post may be obtained from the Secretary, General Post Office, or from the Postmaster at any Head Post Office.

BALLOT PAPERS.

No postage is payable on Ballot-papers, Poll-books, and other documents which have been used at a Parliamentary Election, and are presented at a Post Office by a Returning Officer for transmission by post to the Clerk of the Crown in Chancery. When so presented, an acknowledgment in writing of their receipt must be given by the Postmaster.

The above does not apply to Ballot-papers or other documents used at County Council, District Council, or Parish Council Elections, or at any other Elections; in these cases if any documents are sent by post, the proper postage must be prepaid.

"BLIND LITERATURE" POST.

Papers of any kind, periodicals, and books, impressed in "Braille" or other special type for the use of the blind, may be sent, prepaid, by post, at the following rates of postage:—

For a packet not exceeding 2 oz. in weight	½d.
" exceeding 2 oz. and not exceeding 5 lb.	1d.
" exceeding 5 lb. and not exceeding 6 lb.	2d.

Any such packet, if posted unpaid, is charged double postage: if posted insufficiently prepaid, double the deficiency.

To be entitled to transmission by this post a packet must

(1) consist only of articles specially impressed as described above for the use of the blind, and may not contain any communication either in writing or printed in ordinary type, except the title and table of contents of the book or periodical, and any key to, or instructions for, the use of the special type, or any enclosure except a label for the return of the packet;
(2) bear on the outside the inscription "Literature for the Blind," and the written or printed name and address of the sender;
(3) be posted either without a cover, or in a cover open at both ends which can easily be removed for the purpose of examination;
(4) not exceed 6 lb. in weight or 2 feet by 1 foot by 1 foot in dimensions.

If any of these conditions be infringed the packet will either be charged as an insufficiently paid book packet or letter, or transferred to the Parcel Post, and charged with a fee of 1d., in addition to any deficient parcel postage, whichever charge is the lower.

The use of printed labels with the necessary inscription is recommended.

N.B.—Newspapers impressed for the use of the blind and registered at the General Post Office are not subject to the above-mentioned regulations, but to those of the newspaper post.

GLASS, LIQUIDS, GREASE, COLORING POWDERS, &c.

Should be sent by Parcel Post. They may, however, be sent by Letter Post under the following conditions:—

1. Nothing inflammable, corrosive or explosive may be sent, nor anything having an odour so strong as to affect the contents of other packets in the Mails.

2. No article liable to Customs duty may be sent by letter post to or from the Channel Islands, or the Isle of Man.

3. The following regulations as to packing must be complied with:—

Glass and Crockery must be securely packed (in boxes of metal, wood, leather or cardboard) in such a way as to prevent all risk of injury to the Mails or the Officers of the Post Office.

Liquids must be enclosed in bottles, firmly sealed; the bottles must be enclosed in a box of wood, leather or metal, and packed securely in the box by means of corrugated paper or other suitable material, a sufficient quantity of sawdust or some spongy substance being added to absorb all the liquid contents in case of the bottle being broken. Special attention must be paid to the packing round the shoulders of the bottle; and the box must open at one end only, and have a tightly-fitting lid or a screw lid.

Semi-Liquids and Greases must have an inner covering securely closed and an outer covering of metal, wood or leather, sufficiently strong to prevent any risk of the contents escaping during transit.

Powders must have an inner covering securely closed, and a strong outer covering of metal, wood, leather or cardboard.

4. Packets of all the classes named are admitted to the Letter Mails at the sender's risk, the Postmaster-General accepting no liability in the case of either loss or damage, even if the packets are registered.

5. Packets of all the classes named which are found to be insecurely packed will be stopped. The public are warned that such insecurely packed packets come within the category of articles "likely to injure other postal packets in course of conveyance or an Officer of the Post Office," and are, therefore, prohibited from being sent by post. The senders of such packets are liable to penalties under the Post Office Act, 1908, whether the packets are sent by Letter or Parcel Post.

The Postmaster-General is empowered to detain packets sent by Letter Post containing glass, liquids, &c., or which from their size, weight, or character, are unsuitable for transfer by mail bag apparatus, and to forward them by mails for which the apparatus is not employed.

ARTICLES SENT FOR MEDICAL EXAMINATION OR ANALYSIS.

Deleterious liquids or substances, though otherwise prohibited from transmission by post, may be sent for medical examination or analysis to a recognised Medical Laboratory or Institute whether or not belonging to a public health authority, or to a qualified Medical Practitioner or Veterinary Surgeon within the United Kingdom by Letter Post, and on no account by Parcel Post, under the following conditions:—

Any such liquid or substance must be enclosed in a receptacle hermetically sealed, which receptacle must itself be placed in a strong wooden, leather, or metal case in such a way that it cannot shift about, and with a sufficient quantity of some absorbent material (such as sawdust or cotton wool) so packed about the receptacle as absolutely to prevent any possible leakage from the packet in the event of damage to the receptacle.

The packet so made up must be marked "Fragile, with care," and bear the words "Pathological Specimen." Any packet found in the Post not packed and marked as directed will be at once stopped and destroyed with all its wrappings and enclosures.

Any person who sends by post a deleterious liquid or substance for medical examination or analysis otherwise than as provided by these regulations is liable to prosecution.

LIVE BEES.

Live bees are allowed to pass by Letter or Parcel Post within the United Kingdom, on condition that they are sent in suitable cases and so packed as to avoid all risk of injury to Officers of the Post Office or to other packets.

Certificates of Posting of Unregistered Correspondence (except Parcels).

Any person who desires proof that an unregistered letter, letter-card, post-card, book packet or newspaper has been posted to a particular person should hand in the letter or other article at a Post Office, and ask for a certificate of posting. The fee is ½d., payable by means of a stamp, which must be affixed by the sender to the form of certificate. The articles will be treated in the same way as ordinary letters, &c. and the certificates furnish no proof of the contents of the packets, nor will they confer title to compensation in the event of loss, damage, or delay.

Directions as to Posting.

A parcel should not be posted in a letter box. It should be marked "Parcel Post" and presented at the counter of a Post Office; and the sender, who must himself affix the postage stamps, should see that the weight, size and postage are in order before leaving. The address should be written on the parcel itself, and not merely on a label, which may become detached. It is also desirable that the sender's address should appear either inside the parcel or on the cover; but in the latter case in such a position as not to be mistaken for the address of the parcel. Parcels may also be accepted by Rural Postmen.

The postage on a parcel must be prepaid, and a certificate of posting may be obtained.

Hours of Business.

Every Post Office is open to the public for Parcel Post business on week days during the same hours as for general postal business. Parcels are neither accepted for transmission nor delivered on Sundays. On Christmas Day and Good Friday, in England and Ireland, there is one delivery of parcels, but parcels are not accepted for transmission; in Scotland Parcel Post business is transacted as usual during the time the Office is open.

Re-direction of Parcels.

Parcels are, when re-directed, liable to additional postage at the prepaid rate for each re-direction, except where both the original and the second address are either served from the same delivery office or are within the same Town Delivery Area (the whole of the London Postal District being regarded for this purpose as one Town Delivery Area) and where re-direction is made within the period of free re-direction allowed for other classes of correspondence. A parcel will not, however, be delivered free of charge to a person who has previously refused to accept it, and for re-direction from a Returned Letter Office a second postage is invariably charged.

Undelivered Parcels.

If a parcel which cannot be delivered bears on the cover the name and address of the sender it is returned to him at once.

If a parcel which cannot be delivered does not bear on the cover the name and address of the sender, it is sent to the Returned Letter Office of the District, where it is opened and examined. If upon such examination the name and address of the sender are ascertained it is returned to him. No charge is made for the return of an undelivered parcel to the sender.

Undelivered parcels, which do not contain the address of the sender, and are not applied for, are liable to be disposed of three months after the date of arrival at the Returned Letter Office.

Perishable parcels will be dealt with as may be requisite.

General Regulations.

The prohibitions against the sending by post of anything indecent, or explosive, or of any living creature except bees, or of any enclosure bearing an address different from that borne on the cover in which it is enclosed, are the same in the case of parcels as in the case of letters and other postal packets. There is no prohibition against enclosing in a parcel a letter intended for the same address as the parcel itself.

Eggs, fruit, fish, meat and vegetables, which may not be sent by Letter Post, may be sent by Parcel Post, if packed with special care. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., must be put into bottles or cases securely stoppered. The edges or points of sharp instruments like axes, razors, needles, forks, &c., must be carefully protected. Any parcel containing eggs, or fragile or perishable contents, should be conspicuously marked "Eggs," or "Fragile—with care," or "Perishable."

The general regulation with regard to packing is that every parcel must be packed and enclosed in a reasonably strong case, wrapper or cover, fastened in a manner calculated to preserve the contents from loss or damage in the post, and to prevent any tampering therewith. The packing of a parcel must also be such as to protect other postal packets from being damaged in any way by it. Any parcel not so packed will, if tendered for transmission, be refused, and if discovered in transit, will be liable to be detained.

Parcels to and from the Channel Islands and Isle of Man.

Parcels addressed to or sent from the Channel Islands (Jersey, Guernsey, Alderney, Sark, and the adjacent inhabited Islets) are received from the public under the same general conditions with regard to weight and size, and at the same rates of postage, as parcels for all other parts of the United Kingdom; but as the Channel Islands, under the Customs laws of the United Kingdom, are practically in the same position as a foreign country, such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents, upon a form provided for the purpose, at the office where the parcel is posted. Parcels for the Isle of Man are treated in the same way as parcels for places in the United Kingdom. They are liable to Customs examination; but the sender is not (as in the case of the Channel Islands) called upon to furnish a declaration of contents. Practically, no articles liable to Customs duty can be sent by Parcel Post from the Isle of Man to Great Britain or Ireland, but there is no Customs restriction on parcels sent from Great Britain or Ireland to the Isle of Man. Parcels which are sent in contravention of the Customs regulations are liable to confiscation, and the senders to prosecution by the Board of Customs.

Parcels addressed to Post Offices.

Parcels addressed to a Post Office, to be called for, are kept two weeks; at the end of which period, if not called for, they are returned to the sender.

REGISTRATION AND COMPENSATION.

The Fee for registering any Letter, Parcel or other Postal Packet is Twopence, and this fee must be prepaid in stamps.

Registered Letter Envelopes, impressed with a threepenny stamp for the postage and registration fee, and so made as to render it difficult for the contents to escape or be abstracted, are sold at all Post Offices and by Rural Postmen.

No Town Postman is allowed to take a letter to be registered; but for the convenience of persons living in country places where no Post Office is near, Rural Postmen may take letters for registration on their outward and inward walks, whenever it is practicable for them to do so.

Correspondence can be registered at any time during the ordinary hours of business. When intended for despatch by a particular mail it should, as a rule, be presented for registration half an hour before the latest time of posting for that mail. At the Chief Offices in Edinburgh and Dublin, and at all Provincial Head Offices, articles bearing a late fee of 4d., in addition to the ordinary registration fee, may be registered at any time within the half-hour referred to, if the office is open to the public. At the General Post Office, at the District Offices and at Fenchurch Street, Lombard Street, Ludgate Circus and Throgmorton Avenue Street, Lombard Street, Ludgate Circus and Throgmorton Avenue and the Euston Square Station (for the Irish and Scotch Night Mails) Post Offices, however, letters for conveyance by the Night Mails can be registered up to 6 p.m. upon payment of a late fee of 2d. in addition to the ordinary registration fee, and up to 6.30 p.m. on payment of a late fee of 4d., at the General Post Office and at Euston Square till 7.0 p.m. and at the Offices named above till 6.55 p.m. upon payment of a late fee of 6d., and at the General Post Office only until 7.30 p.m. and at Euston Square up to 8.15 p.m. on payment of a late fee of 1s. Late fee arrangements for the Night Mails are also in operation at other offices in the City, but the latest time of posting is earlier. The *postage and fee* must in all cases be paid by means of *stamps*.

When several packets are sent by the same person for registration, it is desirable that they should be accompanied by a list (in duplicate) of the addresses; one list to be retained at the Post Office, and the other, when signed, to be returned to the bearer.

Packets which contain coin or jewellery and also all inland correspondence bearing the word "Registered," or any other word, phrase or mark to that effect, are, if posted otherwise than in accordance with the regulations, subjected to compulsory registration, and are charged on delivery with a registration fee of 4d., less any amount prepaid in excess of the postage.

Any packet which is found open in the post, or cannot be delivered, and which is found to contain an uncrossed postal order in which the name of the payee has not been inserted, a cheque or dividend warrant not crossed or made payable to order, a banknote, postage stamps, or any article (other than coin or jewellery) of a value in each case exceeding 10s. will be subject to registration, and chargeable with a registration fee of 2d.

No compensation is given in respect of correspondence compulsorily registered.

ARTICLES OF VALUE should never be sent in unregistered letters. So sent, they are exposed to serious risk, but when registered they are practically safe.

COMPENSATION FOR LOSS OR DAMAGE.

The Postmaster-General is not legally liable for any loss or inconvenience which may arise from the loss, damage, delay, non-delivery, or mis-delivery, of anything sent by post, and he does not, in any circumstances, pay compensation in respect of unregistered letters, post-cards, book or sample packets, or newspapers. But, subject to the rules stated below, he pays compensation voluntarily and as an act of grace for correspondence of the following descriptions:—

I. REGISTERED CORRESPONDENCE.

(Including Parcels.)

The fees payable over and above the postage, and the respective limits of compensation, are as follows:—

Fee.	Limit of Compensation.	Fee.	Limit of Compensation.
s. d.	£	s. d.	£
2	5	1 1	220
3	20	1 2	240
4	40	1 3	260
5	60	1 4	280
6	80	1 5	300
7	100	1 6	320
8	120	1 7	340
9	140	1 8	360
10	160	1 9	380
11	180	1 10	400
1 0	200		

These fees include the ordinary registration fee of 2d. The highest amount of compensation obtainable for any one packet is £400.

Everything intended for registration must be handed to an officer of the Post Office, and a certificate of posting, bearing an acknowledgment that the fee for registration and compensation has been paid, must be obtained.

The packet, in addition to being registered, must be made up in a reasonably strong cover appropriate to its contents, and must be fastened with wax, gum or other adhesive matter. It is not sufficient merely to tie the packet with string. If it is desired to secure compensation for damage to a postal packet (other than a parcel), such postal packet must bear the words "Fragile, with Care." These words should appear on the face of the cover above the address.

The packet must be marked in the bottom left-hand corner with the word "Registered," and when the fee exceeds 2d., with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus:—

Registered, 3d.; Registered, 4d.; and so on.

Compensation in respect of money of any kind (coins, notes, orders, cheques, stamps, &c.) will only be given in those cases in which the money is enclosed in one of the Registered Letter envelopes sold by the Post Office, and the packet is tendered for transmission by Registered Letter Post. The compensation given in respect of coin, which must be packed in such a way that it cannot move about, will in no case exceed £5.

II. UNREGISTERED PARCELS.

The maximum limit of compensation is £2. No compensation is given in respect of money sent by Parcel Post, whether registered or unregistered, or in respect of jewellery (jewels, gold, silver, &c.) sent by Parcel Post unregistered.

In order to secure compensation in respect of the loss of a parcel a certificate of posting should be obtained by the sender when the parcel is posted.

III. EXPRESS CORRESPONDENCE.

(See further on.)

Compensation according to the ordinary scale is paid in respect of correspondence of the kinds specified in Sections I. and II. when sent by the Express Service; and up to £2 for the loss or damage of unregistered packets (other than those containing money or jewellery) conveyed by special messenger throughout the whole course.

RE-DIRECTION.

Letters, book and sample packets, post cards, and newspapers are not liable to additional postage for re-direction, whether re-directed by an Officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters, &c., are re-posted not later than the day after delivery (Sundays and public holidays not being counted), and that they do not appear to have been opened or tampered with.

Re-directed correspondence, which is re-posted later than the day after delivery will be liable to charge at the prepaid rate. Any which appears to have been opened or tampered with will be chargeable as freshly posted and unpaid.

Whenever it may be thought necessary, a receipt may be required from the addressee of a re-directed letter or packet at the second address.

Registered correspondence, on being re-directed, may not be dropped into a letter box, but must be taken to a Post Office to be dealt with as registered. No additional registration fee will be charged if the

correspondence is presented for re-registration not later than the day after delivery; but if it is presented after that time it will be treated as freshly posted and fresh registration fees and postage will be payable.

Notices of removal and Applications for re-direction must be signed by the persons to whom the letters are addressed. Printed forms can be obtained from the local Postmaster, or from the Postman of the walk; and, when filled up and signed, they should be given to the Postmaster, or to the Postman. Separate notices should be filled up if it is desired that parcels and telegrams may be re-directed. The Post Office does not undertake the re-direction of correspondence for a longer period than twelve months from the date of removal, but it is open to any person after his correspondence has been re-directed for that time, to apply for an extension of the privilege on prepayment of a fee of 1s. a year for the second and third years, after which the annual fee for re-direction will be 5s.

The Post Office does not undertake the re-direction of correspondence for a person temporarily leaving home, unless the house be left uninhabited; nor, as a general rule, does it re-direct letters addressed to Clubs, Hotels, Boarding houses, or Lodgings.

POSTE RESTANTE.

Correspondence of any kind is, as a rule, taken in at all Post Offices except Town Sub Offices. The words "*to be called for*" or "Poste Restante" should appear in the address.

The Poste Restante is intended solely for the accommodation of strangers and travellers, and even they may not use the Poste Restante for more than three months.

Correspondence addressed to initials, or to fictitious names, or to a christian name without a surname, is not taken in at the Poste Restante, but is at once sent to the Returned Letter Office for disposal.

Correspondence may not be re-directed from one Poste Restante to another in the same town, or from a private address to a Poste Restante in the same town.

All persons applying for Poste Restante correspondence must furnish sufficient particulars, to prevent mistakes, and to ensure delivery to the persons to whom it properly belongs.

Letters from abroad addressed to the *Poste Restante* are retained for two months; letters posted in the United Kingdom for one fortnight; all such letters, at the end of these periods, being sent to the Returned Letter Office for disposal.

A letter addressed to a Post Office at a seaport town for a person on board a ship, expected to arrive at that port, is kept two months. When, however, letters, &c., addressed to a Post Office to be called for bear a request for their return within a specified time (not exceeding the official period of retention) if not delivered, they are dealt with in accordance with such request.

COLLECTION FROM PRIVATE POSTING BOXES.

Arrangements are made for the collection by Postmen of ordinary letters, &c. (not registered letters or parcels) from private letter boxes of approved pattern in town districts.

Pursuant to the terms of section 81 of the Post Office Act, 1908, the following notice will be affixed to these boxes, viz.:—

"This is a PRIVATE POSTING BOX. Letters and packets posted in it will be treated in all respects as Postal Packets, but proof of such posting will not be accepted in legal proceedings as evidence of receipt by the addressee. By order of the Postmaster-General."

The scale of charges is as follows:—

	£	s.	d.
1. Initial fee which provides for two ordinary collections on week days (neither of the two being the General Night Mail collection)	1	1	0
2. Fee for each additional collection on week days, not being the General Night Mail collection	0	10	6
3. Fee for General Night Mail collection including the Sunday collection, if one exists (in addition to the initial fee of £1 1s.)	2	2	0
4. Fee for a Sunday collection when no Night Mail fee is paid, or for an additional Sunday collection made in connection with a general collection from Public Letter Boxes	0	10	6

The minimum fee for the General Night Mail collection is, therefore, £3 3s. a year, but this includes payment for any two other collections on week days.

In special cases additional charges are levied, *e.g.* in the case of a house at a distance from the Postman's walk.

Applications in regard to the collections from private posting boxes should be made to Postmasters or to the Controller of the London Postal Service, General Post Office, E.C.1

PRIVATE BOXES AND BAGS.

A private box, into which correspondence other than parcels is sorted for delivery on application, may be rented and a private bag, in which correspondence is delivered, either by private messenger or by a postman or mail cart driver in Rural Districts, may be made use of at any post office from which a delivery is made. A private bag is locked at the post office before being sent out for delivery. It may be used also for posting correspondence. The bag, which must be provided with a lock, is not supplied by the Post Office.

The minimum period for the use of a private box or bag is twelve months and the fees are payable annually in advance from the date on which the use of the bag began.

The charge for a private box is as follows:—

	£	s.	d.
I. At offices in the Head Districts of London and at the head offices in Liverpool, Manchester, Birmingham, Edinburgh, Glasgow, Dublin, Belfast, Bradford, Brighton, Bristol, Cardiff, Hull, Leeds, Newcastle-on-Tyne, Nottingham, Plymouth and Devonport, Sheffield, and Southampton, and at all branch offices in these provincial towns which are not delivery offices .....(a year)	3	3	0
II. At other offices in London (including Battersea and Norwood), at Branch offices in the above-named provincial towns which are delivery offices, at other Provincial Head Offices, and at any Branch, District, or Sub-Offices in Town Districts served by those Head Offices .....(a year)	2	2	0
III. At Provincial Sub-Offices with as many as three deliveries by Postmen on week-days ..(a year)	1	1	0

These fees are payable when delivery is required between the time of opening in the morning (in London 7 a.m.) and the time of closing at night, or 10 p.m. when the time of closing is later than that hour. At offices in London at which there is no public counter the time of closing is regarded as 9 p.m.

When delivery is required at 6 a.m. or between 6 a.m. and the time of opening at offices which are not open to the public until after 6 a.m. an additional half fee is chargeable.

The charge for a Town private bag is £1 1s. a year irrespective of weight or the number of times made up daily.

Any person residing within the town delivery of a Head Office or of a Sub-Office from which as many as three deliveries are made on week-days and using a private bag for delivery purposes is required to pay the fee for a private box as well as for a private bag, and to provide privately for the conveyance of the private bag to and from the Post Office.

When a Town private bag is used for the posting of letters only and not for their delivery the fee is charged as for a bag only, and not for a private box as well.

Private bags are not conveyed by postmen in towns.

If a resident in a town district desires to use his private box or bag for parcels, or to have a private box or bag exclusively for parcels, a special fee is payable. Particulars may be obtained on application to the Postmaster.

Private boxes may also be rented and private bags used in Rural Districts. For conditions and fees application should be made to the Post Office.

EXPRESS DELIVERY SERVICES.

Postal Packets, Letters and Parcels are delivered by Express Messenger under the following Services, viz.:—

I.

Local Service, Express Throughout.

Under this Service, Messages, Letters, Parcels, and other articles are conveyed *the entire distance* by Special Messenger all the way, or persons may be conducted to an address.

In London this service is suspended for the present.

In the Provinces letters, &c., are accepted at all Post Offices from which there is a delivery of telegrams, and are delivered in any part of the Town or Rural District.

For a Letter, Packet, or other article the Express fee is:—

For every mile or part of a mile..... 3*d.*

On each packet weighing more than 1lb. a weight fee of 3*d.*

These fees include charges for any public conveyance—omnibus, tramcar or railway.

If the sender desires that a special conveyance be used, or if it is, necessary, the actual cost must be paid in addition to the above charge. The weight fee is not charged in such cases.

Cycles are used, wherever practicable, for the delivery of express packets of a size and weight suitable to be so carried.

When several packets are tendered by one sender for delivery by the same messenger at different addresses, or to different persons at the same address, the Express fee of 3*d.* a mile will be charged for the full distance to be traversed, with an additional charge of 1*d.* for each packet above one, but the number of articles to be delivered by one messenger may not exceed ten.

All charges must be prepaid in postage stamps to be affixed to a form provided for the purpose.

Every Packet must be handed in over the counter. In no case may it be placed in a letter box.

The word "Express" must be boldly and legibly written by the sender above the address in the left-hand corner of the cover.

Hours of Posting are, Week-days, generally 9.0 a.m. to 7.0 p.m. In London and the Provinces certain offices are open earlier and later.

There is no Express Delivery by special messenger all the way on Sunday, Good Friday, or Christmas Day in England and Ireland, or on Sunday in Scotland.

On delivery of an Express Packet, the messenger may take a reply or perform a further Express Delivery service within the authorised hours. Express fees at the usual rates must be prepaid either by the sender of the first service or by the sender of the reply or further service.

II.

Express Delivery after Transmission by Post.

Under this Service Letters and Parcels are forwarded by Mail in the regular course of post, and on arrival at the Office of Delivery are sent out by Express Messenger.

Fees.

In addition to the full ordinary postage the same Express fees will be charged as in the case of delivery by a special Messenger throughout, with the exception of the weight fee.

In London the fee for the Express delivery of a letter or parcel from the usual delivery office is in no case more than 3*d.*, in addition to the ordinary postage, even when the address is more than a mile distant from the Express Office; but, if the article is delivered from the General Post Office or from a Head District Post Office at an address outside the ordinary postal delivery of those offices, then the full Express fee of 3*d.* a mile throughout is charged.

The sender is responsible for the charges. The postage and charges must be prepaid by means of stamps affixed to the Letter or Parcel. When special conveyance is required, the whole charge for such conveyance must be prepaid if possible, but the deficiency, if any, will be demanded from the addressee.

If one half of the charges payable are not prepaid, the Letter or Parcel will be liable to be treated as an ordinary Letter or Parcel.

The word "Express" must be boldly and legibly marked above the address, on the left hand side of the cover (whether of Letter or Parcel), and in the case of a Letter the cover must also be marked with a broad perpendicular line from top to bottom both on front and back.

Reply and Further Services.

On the delivery of an Express Packet the Messenger may perform a further service as in the case of correspondence which is sent by Express Messenger throughout.

III.

Special Delivery of Correspondence in Advance of the Ordinary Deliveries at the request of Addressee.

Persons or Firms who desire at any time to receive their correspondence of any kind in advance of the ordinary delivery, may have it delivered by Special Messenger on payment of the following fees, viz.:—

The full Express fee of 3*d.* a mile as for one packet, and a further fixed charge of 1*d.* for every 10, or less number, of additional packets beyond the first. If more than one search is necessary a charge of 3*d.* is made for each extra search in addition to the Express fees levied when the special delivery takes place.

Applications for special delivery must be signed by the persons to whom the correspondence is addressed. Forms of application may be obtained at most Post Offices.

The application should be addressed to the Postmaster or Chief Officer on duty at the Post Office from which the Letters are ordinarily delivered. Where possible, it should be delivered at the Office by hand: but where this cannot be done it may be handed in at any Post Office or posted in any Letter Box in the District served from the Office. In either of the latter cases the postage should be prepaid by means of a penny stamp affixed to the outside of the form. The application should, however, reach the Office on the previous evening, if it is intended to apply to the early delivery in the morning, and, if to any other delivery, an hour at least before the time at which the delivery commences.

The Express Fee on at least one packet must be prepaid in stamps affixed to the application form. All additional Fees must be paid to the Special Messenger on delivery.

If no correspondence for the address given is found, a Special Messenger will be sent to inform the applicant to that effect, and the Express Fee will be retained to pay for this service.

In cases where a regular delivery by Special Messenger is required either on one or more days of the week, or of correspondence arriving by particular Inland or Foreign Mails, it will be sufficient if only one Form of Application, altered to meet the requirements, is filled up and left with the Postmaster. In such cases the whole of the charges will be collected on the delivery of the correspondence.

Conveyance of Single Post Letters by Railway.

Nearly all the Railway Companies in the United Kingdom have entered into an Agreement with the Postmaster-General to accept and convey by the next available Train or Steamship single Post Letters, not exceeding One Ounce in Weight, either to be called for at the Station of Address, or to be transferred there to the nearest Post Office Letter Box.

Foreign and Colonial Letters sent as Railway Letters will be posted in this country for inclusion in an outgoing mail. Letters intended for transfer by the Company to a Post Office messenger at the station of arrival must be handed in at an Express Delivery Office.

A Railway Letter can either be addressed to a Passenger Station to be called for, or to the actual residence of the addressee with the addition of the Railway Station to which it is to be transmitted. The address should be followed by the inscription, "To be called for" or "To be posted on arrival," as the case may be.

Every Letter intended for transmission as a Railway Letter must, unless sent from an Express Delivery Office, be taken to a Passenger Station of the Railway Company over whose line it is to be sent, and tendered, during such hours as the Station is open to the public, to a servant of the Railway Company in the Parcel Booking Office, or the Passenger Booking Office.

Upon every Railway Letter a fee of 2*d.* in addition to postage at the ordinary rate will be charged. This charge, which must be paid in cash, will defray the whole cost of transmission. No servant of a Railway Company will be entitled to make a further charge on the delivery of a Railway Letter.

No letter may be accepted for transmission as a Railway Letter which either—

(*a.*) Exceeds one ounce in weight; or which

(*b.*) From any words or marks thereon appears to be intended Registration, or which

(*c.*) Appears to contain coin or jewellery, or anything which, if sent by Post unregistered, would be subjected to Registration by the Post Office; or which

(*d.*) Appears to contain anything which may not, under the regulations for the time being, be sent by the Inland Letter Post.

Impression of Postage Stamps on Cardboard, &c.

Paper and cardboard can, on certain conditions, and when presented at the Inland Revenue Office, Somerset House, London, W.C.2, be impressed with postage stamps.

Embossed or impressed stamps (except stamps issued in Queen Victoria's reign, which are no longer valid), cut out of envelopes, post cards, letter-cards, newspaper wrappers, or telegram forms may be used as adhesive stamps in payment of postage provided they are not imperfect, mutilated or defaced in any way. Embossed or impressed Inland Revenue Stamps cannot be used in payment of postage, and stamps indicating the payment of a registration fee may only be used for registered correspondence.

Persons wishing to obtain cash in exchange for postage stamps must fill up a form, obtainable at any Post Office, stating the value of the stamps and the name, address and occupation of the Vendor. The form and stamps should then be handed in at any Money Order Office and an acknowledgment obtained. An order for the payment of the face value of the stamps, less 5% commission, will be sent by post from the Chief Office of Account in London, Dublin or Edinburgh. No smaller amount than one pound's worth will be purchased from one person.

Income Tax Stamps.

Income Tax Stamps of the following denominations:—

1d.	3d.	1s.	3s.	5s.

Inland Revenue Stamps.

Stamps issued solely for Inland Revenue purposes, whether impressed upon paper or parchment, or adhesive, can be obtained through all Money Order Offices in England and Wales, and through certain selected offices in Scotland and Ireland, and Postmasters are instructed to keep a stock of those classes of stamps for which there is a demand. The same regulation applies also to the supply of Fee Stamps of every kind.

Ordinary Postage and Revenue Stamps available for certain documents.

Ordinary adhesive Postage and Revenue Stamps may, as a rule, be used for the purpose of Denoting Stamp Duties up to a limit of 2s. 6d., where adhesive stamps are admissible for that purpose.

One or more Postage and Revenue Stamps may be used to make up the Duty.

Stamping of Documents, &c.

On the prepayment of the proper duty, any executed or unexecuted documents or printed forms are accepted at all Head Post Offices and at those Money Order Sub-Offices at which there is any regular demand to be forwarded for stamping, without charge for transmission, provided that the value of the stamp on any document or form does not exceed the limit which may be in force at the Money Order Office concerned. Executed documents can, as a rule, be reclaimed the second day after being left.

Licences.

In England and Wales, the following Local Taxation Licences can only be obtained from the Post Office:—

(1) At all Money Order Offices—
Dog, Gun, Male Servant and Carriage (15s. and 21s.); Motor Bicycle or Tricycle, Hackney Carriage or Hackney Motor Car (15s. only).

(2) At all Money Order Offices where there is a demand for them—
Carriage, Motor Car (except Licences at reduced rates for Medical Practitioners and Veterinary Surgeons), Armorial Bearings, Game, Game Dealer and Gamekeeper.

(3) At all Head Offices and at some London and Provincial Branch Offices—
Establishment Licences in Schedule form, Hackney Carriage or Hackney Motor Car Licences in Schedule form, Motor Car Licences at reduced rates for Medical Practitioners and Veterinary Surgeons, and To Keep Hounds.

Private Brewers' (Excise) Licences can also be obtained at all Money Order Offices at which there is a demand for them.

In Scotland, Dog and Gun Licences are issued at all Money Order Offices; Establishment, Motor Car (except Licences at reduced rates for Medical Practitioners and Veterinary Surgeons), Game and Gamekeepers' Licences at some Money Order Offices.

Private Brewers' (Excise) Licences can also be obtained at some Money Order Offices.

In Ireland, Gun and Game Licences are issued at some Money Order Offices, and at Head Offices and certain other Offices Motor Car Licences at ordinary rates, and also at reduced rates for Medical Practitioners and Veterinary Surgeons.

MONEY ORDERS (INLAND SERVICE).

Money Orders are issued and paid at all Money Order Offices between the hours of 8 a.m. and 8 p.m., but in present conditions many offices are open from 9 a.m. to 7 p.m. The Remitter of an Order may request to be furnished with the date of payment of the Order. In such case he must apply at the Office of Issue, either at the time of issue of the Order, or subsequently, and pay a fee of 2d.

A Money Order when issued is handed by the Postmaster to the Remitter to be transmitted by him to the Payee, and an Advice is sent from the Issuing Office to the Paying Office, containing information as to the amount and as to the name of the Payee and the Remitter.

Unless the Order be presented through a Bank, the person presenting it for payment must furnish the Remitter's name for comparison with the Advice.

No Order may contain a fractional part of a penny and no single Money Order can be issued for a sum exceeding £40.

The commission on Inland Money Orders is :—

For sums not exceeding £1		2d.
„ above £1 and not exceeding £3		3d.
„ „ £3 „ „ £10		4d.
„ „ £10 „ „ £20		6d.
„ „ £20 „ „ £30		8d.
„ „ £30 „ „ £40		10d.

When applying for Money Orders the public should use the printed requisition form which is supplied gratuitously at all Money Order Offices, and should state thereon, as fully as possible the name, title or designation, as the case may be, of the Payee.

The remitter may request at the time of issue that the Order be crossed like a cheque, thus "_____ & Co.," in order that it may be paid only through a Bank, or the Remitter may cross the order after obtaining it.

If when an order is presented for payment (otherwise than through a bank) it is properly receipted, and the name of the remitter, as furnished by the applicant, is in agreement with the advice, it will be paid, unless the Postmaster has good reason for believing that the applicant is neither the payee nor his agent. In the case of a Money Order payable to a Limited Liability Company, Corporation, or Society, the name of the Company, Corporation or Society must be stamped or written in the receipt space, and below it must appear the signature of some responsible officer, such as Secretary, Manager, Director, Treasurer, or Accountant, with a description of his official position.

If payment of an Order be refused, in consequence of the remitter's name not being furnished correctly, or in consequence of the signature on the Order not corresponding with the entry on the Advice, the applicant for payment should communicate with the remitter, and request him to apply to the issuing Postmaster.

Payment of a Money Order is subject to the possession by the Postmaster of the paying office of sufficient funds, and delay is possible, especially in the case of Orders for large amounts drawn on small offices.

The holder of an Inland Money Order may direct, by crossing it, that the Order be paid through a bank, even though its payment was not originally so restricted.

When an Order is presented through a bank duly crossed with the name of that bank, by a person known to be in its employment, the formalities observed on presentation in the ordinary way will be dispensed with.

If it be desired to stop payment of an Order payable in the United Kingdom, a notice, accompanied by a fee of fourpence in postage stamps, must be sent to the office where the Order is payable.

If the remitter of a Money Order is desirous of delaying payment for any period not exceeding ten days, he must, at the time of issue, fill up and sign the request printed at the foot of the Order, and inform the Postmaster. An Order deferred for ten days and issued (say) on the 1st day of a month would become payable on the 11th.

The Postmaster-General has power to refund to the remitter the amount of a Money Order, and is free in such case from all liability to the payee. The remitter of a deferred Order is entitled to have the amount repaid if payment has been stopped at his request within the deferred period.

If alteration in the name of the payee or remitter of an inland Money Order be required, application, accompanied by a penny postage stamp, must be made by the remitter to the Postmaster of the office at which the Order was issued. Should transfer of payment of an inland Order from one office to another in the United Kingdom, or repayment of the amount of an Order, be required, an application enclosing the Order must be made to the Postmaster at whose office the Order is payable. He will transmit, in exchange, a new Order payable at the place desired, deducting the amount of a second poundage. Printed forms for making applications in all these cases may be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the payment of fresh poundage has been rendered necessary by the fault of an officer of the Post Office, the charge will be remitted.

In case of the miscarriage, or loss, of a Money Order in transmission through the post, a duplicate will be granted, free of charge, on a written application, with the necessary particulars, being forwarded to the Controller of the Money Order Department, London, or to the Accountant, General Post Office, Edinburgh or Dublin, according to the place of issue. Should an Order be lost by the remitter or payee, a fee of sixpence (which should be forwarded with the application for a duplicate Order) will be charged.

At the end of twelve months from the month in which it was issued, a Money Order, if still unpaid, becomes legally void, but when a good reason can be given for the delay in presenting it, an application for a new Order, subject to a deduction of 6d., is entertained.

After once paying a Money Order, by whomsoever presented, the Postmaster-General is not liable to any further claim, nor is he liable to pay compensation for loss or injury arising out of delay in payment of a Money Order, or out of any other irregularity in connection with an order.

Free Money Orders for Customs, Excise and Inland Revenue Purposes.

Money Orders for Amounts not exceeding £40 are issued free of poundage in favour of "The Commissioners of Customs," or "The Commissioners of Inland Revenue," as the case may require, for the remittance of Beer Duty, Corporation Duty, Income Tax, Inhabited House Duty, Land Tax, Land Value Duties, Increment Value Duty, Reversion Duty, Undeveloped Land Duty, Mineral Rights' Duty, Legacy, Succession and Death Duties, Probate and Estate Duty or Excise Licence Duty (in the latter case only where the Licences are not obtainable at Money Order Offices). The official notice to pay must, in each case, be presented for inspection when the Order is applied for and the conditions stated in the notice must be complied with.

TELEGRAPH MONEY ORDERS (INLAND).

Money may be transmitted by Telegraph Money Order from any Money Order Office in the United Kingdom which is also a despatching office for telegrams, and may be made payable at any Money Order Office which is also an office for the delivery of telegrams. The ordinary hours for the issue and payment of Telegraph Money Orders are from 8 a.m. to 8 p.m. or 9 a.m. to 7 p.m., but certain Sub-Offices close early one day in the week.

No single Telegraph Money Order can be issued for a greater amount than £40.

The charges are as follows :—

(1) A Money Order poundage at the ordinary rate for Inland Money Orders.

(2) A charge for the official telegram of advice to the office of payment, at the ordinary rate for Inland Telegrams, the minimum being 9d.

(3) A supplementary fee of 2d. for each Order.

REMITTER'S INSTRUCTIONS AS TO DELIVERY.

In order to avoid any misunderstanding, the remitter, when filling up the printed Form of Requisition, should state clearly whether the Order is to be called for at the Post Office or delivered at the payee's address.

(*a*) If the Order is to be kept at the Paying Office till called for, he should write the name of the Paying Office in the space provided, and give the payee's address as "Post office." He should inform the payee of the despatch of the Order and of the name of the Post Office at which he must apply for it, unless this is already known to the payee.

(*b*) If the Order is to be delivered at the payee's address, the remitter must furnish on the Form of Requisition a sufficient address. (The Order will be payable at the Office from which it is delivered.)

(*c*) The person applying for payment must in all cases furnish the name of the remitter, and if the Order is addressed "to be called for" at the Post Office, he must also produce evidence of his identity.

(*d*) A registered abbreviated address cannot be accepted in place of the name of the payee, but it may be used as an address only, if prefixed by the symbol "c/o." Thus, an Order cannot be made payable to "Ajax, London," but it may be drawn in favour of "John Wilson, c/o Ajax, London." The use of abbreviated addresses may, however, in some cases give rise to delay in payment.

(*e*) The provision relating to deferring payment of ordinary Orders does not apply to Telegraph Orders.

The remitter may give directions for the Order to be crossed for payment through a bank, in which case he must pay for the insertion of the word "crossed" in the Telegram of Advice.

The remitter of a Telegraph Money Order is allowed, on paying for the additional words required, to have a short private communication for the payee, not exceeding twelve words, added to the Official Telegram of Advice. The communication must be written by the remitter in the space provided for the purpose in the Requisition Form. If desired the private message may include the remitter's own name (or name and address), which is not in ordinary course communicated to the payee.

A Certificate of Issue is handed to the remitter of every Telegraph Money Order, and this Certificate should accompany any inquiry respecting the Order.

Except in cases in which Telegraph Money Orders are delivered at the payee's address, any person expecting such a remittance must furnish satisfactory evidence that he himself is the person entitled to receive the money. He, or someone on his behalf, must attend at the office to obtain payment. Whenever doubt is entertained by a Postmaster as to the authority, express or implied, of a person to receive payment on behalf of the payee, he may require such person to produce an authority in writing from the payee for the payment of the money.

In the case of a Telegraph Money Order, payable at one of the smaller Offices, there may be some delay in effecting payment if sufficient funds are not in hand.

Repayment or transfer of payment of a Telegraph Money Order may be obtained upon application being made either by the remitter or payee to the Postmaster of the office of payment, provided that the order be enclosed in the application, or be lying in the Postmaster's office. Any application made by a remitter should be accompanied by the Certificate of Issue. If the order be not available, repayment or transfer can only be arranged through the Controller, Money Order Department, London, N.7, or the Accountant, General Post Office, Edinburgh, or Dublin, according to the Country of issue. Forms of application can, if desired, be obtained at any Money Order Office.

In other respects, Telegraph Money Orders are subject to the Regulations which govern the transmission of ordinary Money Orders. If, however, an advice of payment is required, the remitter must not only pay the usual fee of 2d. but also the cost of including the words "Advise Payment" and his address in the telegram of advice.

MONEY ORDERS (FOREIGN AND COLONIAL SERVICE).

Persons applying for Money Orders payable abroad, should use the special Requisition Forms supplied for the purpose.

The Remitter of a Money Order payable in most countries and colonies may, if he so desires, obtain an advice of payment. To do this, he must apply at the Office of Issue and pay a fee of 2½d.

In Foreign Countries the payee is generally required to produce documentary evidence of his identity before payment is made.

Orders issued in the United Kingdom for payment abroad are valid for twelve months, after the month of issue, except orders payable in Belgian Congo which are valid for eight months only, in India, the Dutch West Indies, and Uruguay for six months only, and in Brazil for five months only after the month of issue.

The payees of Orders issued in British Possessions (except Egypt and the Soudan, India, Aden, Ceylon, Federated Malay States and the Nyasaland Protectorate), in France, Hawaii, Porto Rico, the United States, and by the British Post Offices in Panama, and Tangier should receive the Orders direct from the Remitters. Orders representing remittances from Post Offices in Morocco other than Tangier should reach the Payee from the Tangier Post Office, where the Orders are issued. In some cases the advices have to be examined in the London Office and some little delay in payment may occur.

In all other cases the payees will receive Orders issued by the Money Order Department, London, from particulars supplied by the country of origin.

The rates of poundage charged on Foreign and Colonial Money Orders have been increased and the following new rates are now in force :—

(*a*) For orders payable in British Dominions, Colonies and Protectorates, &c. (including India, Aden and the Indian Postal Agencies, and Egypt and the Soudan), the British Postal Agencies in China, Morocco and at Panama, or in any of the following Countries, viz. :— France and Algeria; French Colonies; Italy and the Italian Offices in Benadir, Erithrea and Libya; Japan with Corea, Formosa, Karafuto and the Japanese Agencies in China and Manchuria; Portugal (including Madeira and the Azores); Portuguese Colonies; Roumania; Russia and Russian Agencies in China	3d. for each £1 or fraction of £1.
(*b*) For orders payable in all Foreign Countries or any countries not mentioned under (*a*)	4d. for each £1 or fraction of £1.

† British Postal Orders are paid at certain offices in Canada, but are not issued in Canada.

‡ British Postal Orders are paid in Australia when issued to soldiers; they are not issued in Australia for payment elsewhere.

Postage stamps of Countries marked (*) when properly affixed to British Postal Orders by the senders, will be paid up to the value of 5d. Postage Stamps of British Agencies are not recognised for this purpose if the value has been overprinted in *local currency* (see regulations below regarding postage stamps affixed to Postal Orders).

Postal Orders are issued for 41 different denominations, *i.e.*, for 6d. and every multiple of 6d. up to 20s. and for 21s.

The poundage payable is as follows:—

For Orders of the value of 6d. to 15s. inclusive .. .. .. — One penny.
For Orders of the value of 15s. 6d. to 21s. inclusive .. — Three halfpence.

The sender of a Postal Order, whether made payable in the United Kingdom or elsewhere (excepting Canada), may increase its value by an amount not exceeding 5d. by affixing British postage stamps not exceeding three in number to the face of the Order. Odd halfpence will not be paid. Stamps perforated with initials or marks, or embossed or impressed stamps cut out of envelopes, postcards, &c., cannot be accepted for this purpose.

The purchaser of a Postal Order *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Office of Payment as a precaution in case the Order should be lost or stolen. Before a Postal Order is paid the name of the Payee and the name of the Office of Payment must have been filled in and the Order must be properly receipted.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil, to facilitate inquiry if the Order should be lost.

If a Postal Order be crossed payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

A Postal Order presented by, or through, a Banker for payment will not (in the absence of an express arrangement between that Banker and the Postmaster-General to the contrary) be paid until after the order has been examined at the Chief Office in London.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster-General will not be liable for any further claim.

If any erasure or alteration be made, or if the Order is cut, defaced, or mutilated, payment may be refused.

After the expiration of three months from the last day of the month of issue, a Postal Order will be payable only on payment of a Commission equal to the amount of the original poundage.

The Commission thus paid must be affixed in Postage Stamps to the back of the Order. Postal Orders which are not presented for payment within six months from the last day of the month of issue must be sent to the Controller of the Money Order Department, London, with a request for payment at some specified Office.

PRINCIPAL RULES OF GOVERNMENT ANNUITIES AND LIFE INSURANCES AND THE POST OFFICE SAVINGS BANK.

GOVERNMENT ANNUITIES.

Immediate annuities from £1 up to £100 may be purchased through the agency of the Post Office Savings Bank, on the life of any person over 5 years of age. If the amount of an annuity purchased is less than £100, further annuities may be purchased until that limit is reached. These annuities are payable by equal half-yearly instalments on the 5th January and the 5th July, or on the 5th April and the 10th October, according to the date of purchase, and by division of the purchase money it is possible to arrange for quarterly payments if desired.

A form of proposal can be obtained at any Post Office transacting Savings Bank business.

Husband and wife may each purchase an annuity for £100.

The rates for immediate annuities depend upon the age and sex of the Annuitant, and upon the price of Consols. The present rates are given in the Post Office Guide.

Any two persons may purchase an immediate annuity on their joint lives, with or without continuance of the annuity to the survivor. The cost will be stated if the age and sex of each of the proposed parties be furnished to the Controller of the Savings Bank.

The purchase money is payable through the medium of a Savings Bank account.

Annuities can be paid at any Post Office Savings Bank, or, if preferred, the instalments can be credited to the Annuitant's Savings Bank account. In connection with these payments a life certificate is required upon a form provided for the purpose.

On the death of an Annuitant a single payment equal to one-fourth of the annuity is made to the representatives, if claimed within two years.

GOVERNMENT LIFE INSURANCES.

I. Premiums payable by transfer Savings Bank Account.

Government life insurances for sums up to £100 on the lives of persons between 14 and 65 years of age are available through the agency of the Post Office. Children under 8 years of age are not insured, and insurance of those between 8 and 14 is limited to £5.

Insurance for a sum to be paid at death can be effected by a single payment, by annual payments ceasing at 60 years of age, or by annual payments throughout life.

Insurance for a sum to be paid on the attainment of the age of 55, 60, or 65 years, or sooner in the event of death, can be effected by a single payment or by annual payments to cease at the selected age.

Insurance for a sum to be paid at the expiration of 10, 15, 20, 25, 30, 35, or 40 years, or sooner in the event of death, can be effected by a single payment.

Tables showing the annual premiums for insurances from £5 to £100 can be obtained together with forms of proposal at any Post Office Savings Bank.

Members of Friendly or Provident Societies may insure through the Post Office and arrange to have their premiums collected by their own society and handed over periodically.

Employees of firms and public bodies may also insure through the Post Office and arrange, with their employer's consent, for the deduction of premiums from their wages.

II. Premiums payable weekly by means of Postage Stamps.

This system has been introduced in order to afford the greatest benefit possible to those who find it most convenient to keep up an insurance policy on the basis of fixed weekly instalments.

The premiums are payable by means of ordinary postage stamps to be affixed weekly by the insured person within a premium book. At the end of each 13 weeks the stamped page containing the quarter's premiums will be withdrawn on presentation of the book at a Post Office and a receipt for the amount will be given on the counterfoil.

Persons of either sex between the ages of 14 and 50 are eligible for insurance under this scheme. All premiums cease at age 60.

A simplified proposal form has been issued and may be obtained at any Post Office Savings Bank. On this form is printed a table from which the following extract has been taken.

Age next Birthday.	2d. per week until age 60 will insure at death	3d. per week until age 60 will insure at death	4d. per week until age 60 will insure at death	5d. per week until age 60 will insure at death	6d. per week until age 60 will insure at death

40	7 18 0	12 18 0	18 10 0	24 3 0	29 16 0

The amounts for intermediate ages are shown on the proposal form.

Those who desire to set aside more than 6d. a week should apply to the Controller.

Insurances not exceeding £25 can be effected with or without medical examination, but for insurances above that amount examination (which is free) is necessary. The conditions attaching to insurances with and without medical examination are shown in the proposal forms.

The Postmaster-General reserves to himself the right of declining to insure any life that may be presented.

After having paid not less than two years' premiums an Insurant may surrender the Contract and receive such sum as the National Debt Commissioners shall determine. Or at the option of the Insurant a paid-up insurance will be granted of an amount equivalent to the surrender value.

Nominations.

Any person, not under the age of 16 years, to whom an insurance is granted may nominate any person or persons to receive the money due at death, and a form of nomination, with full instructions as to filling it up, can be obtained upon application to the Controller of the Post Office Savings Bank, London, from whom any further information in connection with annuity and insurance business can be obtained.

THE POST OFFICE SAVINGS BANK.

Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money and for the transaction of Government Stock business daily during the hours appointed for money order business.

Any sum from one shilling upwards may be deposited, but fractions of a shilling may not form part of an ordinary deposit in a personal account. The deposits of Societies, Penny Banks, &c., &c., are not subject to this limitation.

Home Safes can be obtained at all Post Offices which transact Savings Bank business. The safe is a small steel box in which coins may be placed for subsequent deposit in the Savings Bank. Each safe is locked when issued, but each Savings Bank Office keeps a key which will open it when presented for the purpose of having the contents placed to the credit of the holder. The charge for a Home Safe is 3s. Of this amount 1s. is a registration fee and is not repayable, but the balance of 2s. will be repaid if the safe be given up in good condition.

Forms to which stamps may be affixed are supplied at Post Offices for the assistance of children and others unable to save more than a penny or two at a time.

Special facilities are provided for assisting managers of Penny Banks, and for the saving of pence by children attending elementary schools. Information on this subject will be furnished on application to the Controller of the Savings Bank.

Interest at the rate of £2 10s. per cent. per annum for each complete pound (which is at the rate of Sixpence a year, or One Halfpenny a calendar month) is allowed on every complete Pound standing to the credit of a Depositor, and is added to his account at the close of each year ending 31st December, after which it becomes part of the principal.

Money deposited bears interest from the beginning of the month following that in which it was received. Money withdrawn ceases to bear interest from the beginning of the month in which a warrant for repayment is issued.

Any person over the age of seven may become a depositor in the Savings Bank.

Accounts may also be opened—

(*a.*) On behalf and in the names of children under seven years old. (Money so deposited is not withdrawable until the children attain the age of seven years, and is then payable to their signatures only.)

(*b.*) By two or more persons jointly on their own behalf, provided no one of them has any other account in a Savings Bank.

(*c.*) By one or more persons in trust for another person or persons also named in the account. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.

(*d.*) On behalf of insane persons by the committees of their estates.

(*e.*) By a duly registered Friendly Society upon the application of all the trustees of such society.

(*f.*) By a duly registered Industrial and Provident Society, not chargeable with Income Tax (*see* Industrial and Provident Societies Act, 1893, Sections 39 and 24).

(*g.*) By a charitable or Provident Society, Penny Bank, or similar Institution, through the trustees or treasurer.

(*h.*) By Corporate Bodies (subject to the approval of the Postmaster-General).

(*i.*) By vicars and rectors of parishes in England and Wales and by other official persons, being corporations sole (subject to the approval of the Postmaster-General), the accounts being opened in their official titles.

(*j.*) In the name of the Registrar of a County Court.

(*k.*) In the name of the Public Trustee.

When it is desired to deposit under (*d*), (*e*), (*f*), (*g*), (*h*), or (*i*), application must first be made for authority to the Controller of the Savings Bank. A copy of the rules of the Society or information as to the constitution of the body corporate should accompany the application, except in cases under paragraphs (*d*) and (*i*).

All deposits standing in the sole name of a married woman domiciled in England or Ireland will be deemed, unless and until the contrary is shown, to be the separate property of such married woman. Deposits by a married woman domiciled in Scotland are subject to Scottish Law, and those in the Channel Islands and in the Isle of Man to the laws of those Islands respectively.

Any woman who marries while she is a Depositor should inform the Controller by letter and should forward her deposit book and Stock Certificates (if she holds Stock through the Post Office) with the letter.

Every deposit must be entered in the Depositor's book by the officer receiving it, who must affix to the entry his signature or initials and the stamp of his office.

In addition to the receipt in the book, the Depositor receives, for every deposit of £5 or over, an acknowledgment by post from London. The acknowledgment should reach the Depositor within a few days (twelve days in the case of a deposit by cheque), and if it does not come to hand, or if it is incorrect or shows signs of erasure or alteration, the Depositor should at once write to the Controller, Post Office Savings Bank, London, and should renew his application until he gets a reply.

No acknowledgment is sent for any deposit under £5.

A Depositor may make or withdraw deposits at any Post Office transacting Savings Bank business without change of Deposit Book.

Any dispute between any depositor and the Postmaster-General is referred for arbitration to the Registrar of Friendly Societies, whose award is binding and final.

Once in each year, on the anniversary of the day on which the first deposit was made, the Depositor should forward his book to the Controller of the Savings Bank in order that it may be compared with the ledgers, and that the interest to the previous 31st December may be inserted. Envelopes for the transmission of the book can be obtained at any Post Office Savings Bank.

A Depositor can, on presenting his deposit book at any Post Office Savings Bank, withdraw on demand any sum not exceeding £1. If more than £1 is required, a form of notice of withdrawal, which can be obtained at any Post Office Savings Bank, must be filled up and posted to the Controller. The Depositor will then receive a warrant for the amount desired, payable to him on presentation with his book at the specified Post Office. If he wishes to authorise another person to receive payment on his behalf, he can do so by executing in favour of such person an Order on a form which can be obtained at any Post Office Savings Bank.

No application to withdraw the whole or any portion of a deposit should be made until four clear days have elapsed from the date of deposit if made in England and Wales, or six days if made in Ireland or Scotland. A cheque deposit cannot be withdrawn until twelve days have elapsed.

A Depositor of the age of 16 and upwards can nominate a person or persons to receive any sum not exceeding £100 due to him at the time of his death. Application should in all cases be made to the Controller, as it is essential that the nomination should be in due form and should be registered in the records of the Department during the Depositor's lifetime.

Officers of the Postmaster-General are not allowed to disclose the name of any Depositor, or the particulars of any account.

Depositors may have communications from the Savings Bank addressed to a Post Office instead of to their private address, if they so desire.

INVESTMENTS AND SALES OF GOVERNMENT STOCK.

Facilities are provided for enabling Depositors to invest their deposits in any of the following descriptions of Government Stock. Two and a Half per Cent. Consolidated Stock, Two and a Half per Cent. Annuities, Two and Three-Quarters per Cent. Annuities, Local Loans Three per Cent. Stock, War Loan Three and a Half per Cent. Stock, War Loan Four and a Half per Cent. Stock, War Loan Five per Cent. Stock, Guaranteed Two and Three-Quarters per Cent. Stock and Guaranteed Three per Cent. Stock.

Stock may be bought with deposits already made, or with money deposited expressly for the purpose. The amount of Stock which may be bought during one calendar year is limited to £200, and the total amount of Stock which may be held in connection with a Savings Bank account is limited to £500.

Irrespective of the annual limit of £200 a Depositor may, in any year ending 31st December, purchase Stock to replace one sale of Stock made in that year.

Any portion of a Depositor's Stock can be sold for him. The amount realized by the sale, less commission, will be paid at a Post Office convenient to the Depositor.

TRANSFERS OF STOCK, AND STOCK CERTIFICATES.

A Depositor may transfer the whole or part of the Stock held for him by the Savings Bank into a holding in his own name in the Stock Registers of the Bank of England and, if his holding in the Savings Bank has reached the limit of £500, may thereby set himself free to make further investments through the Savings Bank. An alternative form of holding is that of the Stock Certificates which are issued by the Bank of England with coupons for dividends annexed. As, however, these coupons are payable to Bearer, their safe custody is a matter of importance.

Purchases and sales of Stock are effected at the current price of the day on which the transaction takes place, as certified by the National Debt Commissioners. The department cannot advise Depositors as to their transactions in Stock, its position being that of an agent only; nor can it accept liability for any losses which may be sustained owing to a fall in the price of Stock between the dates of purchase and sale.

Dividends upon Stock standing in a Depositor's name will, as they become due, be credited to his deposit account free of cost, and will at once bear interest as if they had been cash deposits. They will be entered in the deposit book when it is received for examination.

The commission chargeable for a purchase or sale of Stock is as follows:—

	s.	d.
On Stock not exceeding £25	0	9
,, exceeding £25 and not exceeding £50 ..	1	3
,, ,, £50 ,, ,, £75 ..	1	9
,, ,, £75 ,, ,, £100 ..	2	3
,, ,, £100 ,, ,, £200 ..	2	9

With a further charge of 6d., in respect of every £100 or part of £100 Stock above £200.

Forms of Application: Forms for use in connection with any class of transaction in Government Stock, and a circular containing further information on the subject, may be obtained at any Post Office Savings Bank.

Note:—When a deposit book is forwarded with any application respecting Stock, care should be taken to enclose it in the special green envelope supplied for the purpose.

POST OFFICE TELEGRAPHS

Inland Telegrams.

The charge is 9d. for the first 12 words, including the address, and ½d. for every additional word.

Receipts for the charges on telegrams can be obtained at a cost of 1d. each.

Telegrams should be written on the proper forms. Unstamped forms can be obtained free of charge, and postage stamps should be affixed to them by the senders. Forms with embossed stamps can be obtained singly or in books of 20, interleaved, and with a sheet of carbonic paper; price 1s. 2d.

An embossed stamp, removed from an unused telegram form or cut off an envelope will be accepted in payment or part payment of a telegram; but mutilated or defaced stamps will not.

Telegrams are delivered free of charge within three miles of the office nearest the address, which is called the Terminal Office, and when that office is a Head Post Office no charge is made for delivery within the town postal delivery, even if that extends for more than three miles. No charge is made for delivery within the whole of the London Postal area.

When the address is beyond the limit of free delivery, porterage is charged at the rate of 3d. per mile or part of a mile, the distance being calculated from the limit of free delivery.

When the usual delivery office is closed, telegrams may, at the request of the sender, be delivered from another office, but a porterage charge of 1s. a mile (8d. in Ireland) calculated from the door of the delivery office, must be prepaid, unless the address is within the town postal delivery of that office.

The sender is responsible for the porterage charges, and when the address is not within the free delivery he must, if he can, state the distance and pay the porterage in advance. When the exact distance is not known, a deposit must be paid.

In the list of Post Offices in the Post Office Guide approximate distances are given. These will furnish some guide in computing porterage charges.

If the prepayment be insufficient the deficiency is charged on delivery.

The sender may direct that his telegram be forwarded by train from the terminal office. He must write the word "train" or the words "train from ," as the case may be, at the end of the address, and must deposit 1s. to cover the cost of conveyance if the exact cost is not known, or he may direct that his telegram be delivered by post, and no charge is then made for delivery. He should write the word "Post" before the addressee's name, and, at the end of the address, the name of the office at which the telegram is to be posted.

A deposit for boat hire is required upon all telegrams addressed to ships unless the ships are alongside a wharf, jetty, or pier; any surplus is refunded.

The sender must furnish his name and address; when they are not to be telegraphed, they must be written on the back of the form.

Telegrams can be repeated if the sender desires it, by being signalled back from office to office throughout the course of transmission. No copy of the telegram is, in such case, given to the sender. The charge for repetition, which must be paid when the telegram is handed in, is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

Telegrams containing mercantile quotations, and telegrams written in cipher, or according to a preconcerted code, should always be repeated.

If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission to him. The money will, however, be refunded to him if it should turn out that the telegram had been inaccurately transmitted.

The cost of a reply, not exceeding forty-eight words, may be prepaid; and a Reply Form will then be delivered to the addressee, who will be at liberty to use it for any inland message at any time within twelve months. If the form be not used, its value will be refunded to the sender of the original telegram if he applies and sends the form within twelve months to the local Postmaster.

Telegrams can be re-directed to a second address either by an officer of the Post Office or by an agent of the addressee. When official re-direction is required a notice to that effect must be given; printed forms can be obtained from the local Postmaster. The person making the request is responsible for any charges that may be incurred.

Re-directed telegrams are liable if any additional service is performed to an additional charge of 9d. If the two addresses are within the same town (each London district being considered for this purpose a separate town), but if the addresses are in different towns the full Inland rate is charged for the re-direction. For official re-direction after one month a fee of £1 1s. per annum is charged, in addition to the re-direction charges on each telegram. Standing instructions for the re-direction of fully addressed telegrams during fixed hours are registered on payment of £1 1s. per annum. The telegrams are subject to the usual re-direction charge.

A telegram will be delivered at two or more addresses in the same free delivery on prepayment of the ordinary telegram charges for the total number of words in the addresses and text in addition to a charge of threepence per copy beyond the first. Each London Postal District is regarded, for this purpose, as forming a separate delivery; and when a multiple address telegram for London is directed to one or more registered addresses the district initials must be inserted after each registered address and paid for. The Postal District numbers appropriate for letters are not required.

A telegram may be handed to a Rural Postman on his way to a Telegraph Office, or may be posted in an envelope addressed "Telegram Immediate." Telegrams prepaid and so posted are sent on by the next collection to the nearest convenient Telegraph Office and are thence transmitted by wire. Telegrams posted without envelopes will be similarly treated. The time of arrival at the Telegraph Office is taken as the time of handing in.

Telegrams posted, insufficiently prepaid, are forwarded and the deficiency is charged to the addressee; but unpaid telegrams are not forwarded.

Most Telegraph Offices are closed between 7 p.m. and 9 a.m.; and a posted telegram which does not reach a Telegraph Office before 6 p.m., *may* not reach its destination until the following day.

Telegrams may be accepted at an office after the usual hours on payment of certain fees, if the other offices through which the telegram would have to pass are open and their attention can be gained. These fees are as follows:—

(*a.*) If the handing-in office is not open for either postal or telegraph business, 1s. for the postmaster, 1s. for the telegraphist, 1s. for a messenger, if one be required to call the telegraphist.

(*b.*) If the office is open for postal business but not for telegraph business, 1s. for the telegraphist, 6d. for the messenger, if one be required to call the telegraphist.

(*c.*) If the office is open for the receipt of press news (but not for other telegraph business, or ordinary postal business), 6d. for the postmaster, 6d. for the telegraphist.

When several telegrams are handed in together by the same person, late fees are payable on one telegram only.

If a postmaster or telegraphist be called up to send a telegram and it subsequently appears that it cannot be dispatched, the person desiring to send it must nevertheless pay the fees.

When telegrams are handed in at an office which is open for one which is not open, the following fees are to be paid by the sender:—

(*a.*) If the terminal office is not open for postal business, 1s. for the telegraphist, 1s. for the messenger, 6d. an hour for the telegraphist if he has to wait for a reply.

(*b.*) If the terminal office is open for ordinary postal business 1s. for the telegraphist, 6d. for the messenger.

Telegrams in plain language in any European tongue, or in Latin, are charged for according to the number of words; but all words not forming part of any European language, or of Latin, and all unintelligible combinations of letters, are charged for at the rate of five letters to a word.

No combination of words is counted as one word, with the exception of those words which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "alms-houses."

Such names as O'Neil, MacDonald, De la Rue, and names with the prefix "St." as St. Pancras, are charged for as single words, but double names like Bouverie-Tracy, although written with a hyphen, are counted as two words.

Such abbreviations as can't, won't, don't, couldn't, shouldn't, are counted as single words.

Figures are counted at the rate of five figures to a word. For example, 38563 counts as one word. Fractions are counted according to the number of figures employed, the mark of division being counted as a figure—thus, "½" counts as one word, "109⅞" as two. In groups of figures a stop or oblique stroke is counted as a figure; thus 12-35 counts as one word. In ordinal numbers the affix st, nd, rd, or th, is counted as two figures—thus "1st" counts as one word, and "1432nd" as two words. The symbols o/o, a/c, b/l, and c/o are each counted as one word.

Where a figure or a group of figures is followed or preceded by a letter, except in the case of ordinal numbers, the letter is counted as a word, thus 104a or a104 counts as two words. Letters added to figures in the address of a telegram, to denote the number of a house or of a telephone number, are however counted as figures.

Initial letters are each counted as one word, but exceptionally the initials of the London Postal Districts (*e.g.*, "S W"), and the letters "A M" and "P M," are counted as one word for each group; the letters H. M. S. are also counted as one word in the address of an inland telegram intended for one of His Majesty's ships.

All names of towns or villages, the names of Railway and coast-guard stations (not in towns), at which telegraph business is transacted on behalf of the Post Office, the names of districts in towns when used in addresses in addition to the names of thoroughfares, and the names of Foreign Telegraph Offices mentioned in the International List of Telegraph Offices, are counted as one word each, thus, Newcastle-on-Tyne, Abbey Holme, Bodmin Road, Camden Town in the address "High Street, Camden Town," and Davos Platz, are counted as one word each; but the names of Town Sub-Offices and Branch Offices, and all other names, unless used in addresses together with the names of thoroughfares to denote districts in towns, are counted according to the number of words of which they are composed; for example, "Hanging Ditch" and "Drury Lane" count as two words each.

The name of the County, when required to distinguish the office of destination from some other place of the same name, is not charged for. Thus Richmond, Surrey, counts as one word.

When words are underlined, or placed in a parenthesis, or within inverted commas, one extra word is charged for.

The sender may have any instructions, such as "private," "confidential," "to be opened at once" or the like written on the outside of the envelope of the message. The instructions will be charged for as part of the message.

Should the sender, upon being informed that his message cannot be delivered in consequence of the addressee being unknown, require the telegram to be presented a second time at the same address, or re-direct it to another address in the same town, he must pay a further fee of 9d. If, however, he re-directs it to an address in a different town he must pay the cost of a fresh telegram. Should it afterwards turn out that the failure in the first instance was the fault of the Department, the extra charge will be refunded.

The sender may have his telegram cancelled, and if it be cancelled before the commencement of transmission the sum paid will be returned, at the time, less a fee of 3d. for cancelling it, but if transmission has commenced, the sum will not be returned. If transmission has been completed, an official telegram, prepaid by the sender, will be sent to the Postmaster at the Terminal Office. If the official telegram should arrive too late, the sender will be informed that the attempt to cancel his telegram has failed, but the sums paid will not be refunded.

If the addressee of a telegram is known to the messenger, it may be delivered wherever on the road the messenger may meet him, on payment of porterage charges to the point of meeting, should that point be beyond the free delivery area.

When in consequence of an interruption of communication, a telegram cannot be transmitted, notice of the interruption is given to the sender, together, if practicable, with a statement of the cost of delivery by special means, and on payment of such cost the telegram will be delivered. If, however, the sender prefer to cancel the telegram, the amount paid by him will be returned on application to the local Postmaster, at any time within three calendar months.

If the sender cannot be found or declines to cancel the telegram or to pay for its delivery it will be delivered without extra charge by post.

Any person may register an abbreviated or arbitrary address on payment of a yearly registration fee of £1 1s., but the address must consist of two words, one of which is to be the town or place of delivery.

Telegrams addressed to a Telegraph Office "to be called for" are kept two clear days.

Telegrams indecently or obscenely worded, or which appear to contain grossly offensive matter, will not be transmitted.

Night Telegraph Letter Service.

Night Telegraph Letters may be sent between any two towns in which the Head Telegraph Offices are open always for delivery by the first post the next morning—including Sundays if there is a Sunday delivery. The rate is 9d. for 36 words or less, and ½d. for every 3 words beyond 36. Night Telegraph Letters must be in plain language. They may be handed in at or telephoned to the Head Office of the town before midnight, or posted in time to reach it by midnight prepaid at the above rate, in an envelope marked simply "Telegraph Letter." They may not bear multiple addresses; and registered telegraphic addresses will not be accepted.

The Department is not liable for losses incurred through the incorrect transmission, delay, or non-delivery of telegrams.

The ordinary hours during which Telegraph Offices in the Provinces are open on week days are from 9 a.m. to 7 p.m. The hours of business in the London Postal area are generally from 8 a.m. to 8 p.m. On Sundays the hours of attendance are usually from 8.30 a.m. to 10 a.m. in England, and Ireland, and from 9 a.m. to 10 a.m. in Scotland. The following offices in London are open longer, and railway stations in London transacting public telegraph business are also shown:—

Payment at the rate for ordinary Inland Telegrams (plus 10d. per message) will be demanded on the delivery of the telegrams.

Telegrams in reply will be accepted from the owners or others for transmission, if possible, to the vessel in distress, and will be subject to the same charges.

SIGNALLING STATIONS FOR COMMUNICATION WITH SHIPS AT SEA.

Signalling stations are maintained by Lloyd's, and by others, at various points round the coast of the United Kingdom; and telegrams to and from vessels passing such stations may be signalled when the vessels are passing.

The charges made by Lloyd's and others, for signalling, or for reporting the passing of a ship, or for giving other information, vary in amount. They are not collected by the Post Office.

In all cases the Post Office charge for the transmission of the telegram (including the reply, if any) must be prepaid at the ordinary rate for inland telegrams

Commercial telegrams can now be sent to or received from ships passing the Smalls Lighthouse (St. David's), Haisborough Lightship (Bacton), and Tuskar Rock Lighthouse (Wexford). A charge at the ordinary inland rate will be collected by the Post Office on inward telegrams. A signalling charge of 1s. 6d. will be made on each commercial telegram, but will not be collected by the Post Office.

Radiotelegrams.

Suspension of Service.

The Radiotelegraph service to and from ships is suspended until further notice, except as regards Government messages. The suspension applies to the transmission of radiotelegrams through Coast Stations abroad as well as to their transmission through Stations in the United Kingdom.

FOREIGN AND COLONIAL TELEGRAMS.

SPECIAL REGULATIONS IN FORCE DURING THE WAR.

All telegrams for places abroad are subject to censorship, and can only be accepted at "Sender's Risk." No enquiry can be made as to their disposal.

PLAIN LANGUAGE; CODE LANGUAGE.

Telegrams in plain language for places abroad must be written in self-explanatory English or French.

Telegrams written in one of the authorised codes may be forwarded to places in British and Allied territory outside Europe, and with certain exceptions to places in the territory of neutral States outside Europe. Full particulars can be obtained at any Telegraph Office. The authorised codes are as follows:—

(1) A B C, 5th Edition. (2) Scott's, 10th Edition. (3) Western Union (including the Universal edition, but not including the Western Union Travellers' Cable Code or the Western Union Five-letter Code). (4) Lieber's. (5) Bentley's Complete Phrase Code (not including the oil and mining supplements). (6) Broomhall's Imperial Combination Code. (7) Meyer's Atlantic Cotton Code, 39th Edition. (8) Broomhall's Imperial Combination Code (Rubber Edition). (9) Riverside Code, 5th Edition, 1901.

Telegrams in private code or in any other unauthorised code cannot be accepted. In order to expedite the transmission of code telegrams senders should deposit translations of the telegrams when they are handed in; and in all cases the name of the code used must be indicated by the sender on the telegram form. No charge will be made for the transmission of the indication; but a special fee of 6d. will be charged for each telegram in code.

Telegrams in cypher language are prohibited.

Special forms are provided for Foreign and Colonial Telegrams, and these are also supplied in Books of 25, each bearing an embossed 10d. stamp, interleaved, price £1 1s. each. Telegrams written on forms supplied by Cable Companies are also accepted at Post Offices.

A receipt for a telegram can be obtained for 1d. A certified copy of a telegram can be obtained on application to the Secretary, General Post Office, at a charge of 5d.

In plain language the maximum number of letters allowed to pass at the charge for a single word is 15.

Subject to this limit ordinary compound words and names of persons and places, &c., written without break are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words. Words incorrectly

spelled, so as to reduce the number of letters below the maximum or incorrectly joined together, contrary to the usage of the language, are inadmissible.

Every isolated letter or figure is charged for as one word and groups of figures are counted at the rate of five figures to a word, and at the same rate for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers or commercial marks, or to represent the number of a house, are counted as figures.

In code language no word must exceed ten letters in length. Words in plain language in the text of a telegram which also contains words in code language are charged for at the rate of 10 letters to a word, any excess being charged for at the rate of 10 letters to a word.

Telegrams should, as a rule, bear a full postal address; but the use of registered addresses is permitted in telegrams to British and French Possessions outside Europe; Japan and Japanese Possessions; the Belgian Congo; and the United States on condition that (*a*) they have been registered before the 1st July, 1914, and (*b*) they are only used as the addresses of telegrams, their use as signatures being prohibited.

In the case of telegrams destined for the territories mentioned above, except British Possessions, the sender is required to insert the full name and address of the addressee in the address of the telegram in the form:—

To Snapshot (Messrs. Jamieson & Co., 144 Broadway), New York.

Neither the words in brackets containing the full name and address nor the brackets themselves are charged for.

All telegrams, whether in code or in plain language, must bear the sender's surname, if sent by an individual; or the name of the Firm, if sent by a Firm, at the end of the text. The name must be paid for. The name and address of the sender must also be written at the foot of the form.

The name of the street and number of the house should be given when the address is not registered; and the addresses should be expressed in French or in the language of the country to which the telegram is sent. When these particulars cannot be given, the profession, trade, or calling of the addressee should, if possible, be stated. If there are more places than one of the same name, the name of the country or state in which the place is situated should be added to the address.

If the sender desires to prepay a reply he must insert before the address of the receiver "R.P.," which is charged for as one word. A reply of any length can be prepaid, but the minimum payment is 10d. A voucher for the reply is issued by the office of delivery, and the person receiving it is entitled to use it at any time within six weeks from the date of its issue in payment or partial payment as the case may be of a telegram to any destination abroad. If the addressee does not use the reply form, the cost will be returned to the sender, on application to the Secretary, General Post Office, within three months of the date of issue of the form. The form must be returned with the application.

The sender can have his telegram repeated from office to office by paying over and above the charge for the original transmission a quarter of that charge. In that case "T C," which is charged for as one word, must be inserted before the receiver's address.

Repetition is desirable for all code telegrams.

The sender can have the telegram repeated between the office of origin and the last Post Office in the United Kingdom at which it is dealt with on payment of a charge equal to the rate for an ordinary inland telegram of the same length.

The addressee of a telegram can, by application at the Delivery Office and subject to censorship, obtain the verification of doubtful passages or words. For this purpose he must pay a sum calculated by multiplying the number of words to be repeated by the ordinary rate per word to the place from which repetition is to be obtained. The minimum charge is 10d.

The addressee of a telegram may have it repeated from the first office in the United Kingdom at which it was dealt with on depositing the ordinary charge for transmission of an inland telegram, viz., 9d. if the part to be repeated contains 12 words or less, and ½d. per word for each word over 12.

When the sender is not certain of the exact place at which the receiver of the telegram will be found, he may insert immediately before the address "F S" (faire suivre—to follow), which will be charged for as one word.

In telegrams intended to be left until called for at telegraph or post offices, the words "Télégraphe restant (or T R)" or "Poste restante (or G P)" or "Poste Restante registered (or G P R)" must be inserted before the address. The instructions "T R," "G P" and "G P R" are each charged for as one word. Such telegrams can at present only be accepted if destined for British Possessions, Allied countries, or countries outside of Europe, but not including Italy, Libya and Italian Possessions in East Africa. A telegram addressed to several persons in the same town, or to the same firm at different localities in the same town, is charged for as a single telegram, but a sum of 5d. must be prepaid for every extra copy to be delivered if the number of chargeable words does not exceed 100, and an additional sum of 5d. for every additional 100 words or part of 100 words. In calculating the charge all the names and addresses are included. The instruction "——addresses," or "T M——" (the latter being counted as one word) must be written before the address and paid for. Telegrams having multiple addresses are not accepted by the routes of the North Atlantic Cable Companies, either for America or for transmission over the Pacific Cable or *vid* Marconi.

REDUCED RATES FOR EXTRA-EUROPEAN TELEGRAMS IN PLAIN LANGUAGE.

(*Services suspended*, except in the case of deferred telegrams for Australasia viâ Pacific.)

Telegrams in plain language are accepted for transmission to the British Oversea Dominions and other extra European places at half the rates given in the Table of Charges for Foreign and Colonial telegrams and at, approximately, a third of those rates to North America "viâ Marconi." They are accepted on the conditions that they may, if necessary, be deferred during transmission for not more than 24 hours in favour of full-rate traffic.

Night and week-end letter telegrams can be sent to and from places in North America. They are transmitted by the Cable Companies at reduced rates which can be ascertained at any Telegraph Office. Night letter telegrams are not delivered before the day after they reach the Cable Company's office. Week-end letter telegrams must be sent in time to reach the Cable Company not later than Saturday night, and they are not delivered before the Monday of the following week.

Both deferred telegrams and letter telegrams must be in plain language in either English or French: that is, they must not contain either code or cypher and must not bear any meaning other than that which appears on the face of them. Figures are not allowed in the text of deferred telegrams or letter telegrams (except letter telegrams for North America): numbers must be written in words, but may be abbreviated thus "onetwothree," (under 15 letters and chargeable as one word), "onehundredandtwentythree" (over 15 letters and chargeable as two words).

Full particulars of these services can be obtained at any Telegraph Office.

MIXED POSTAL AND TELEGRAPH SERVICE

A telegram can be forwarded partly by telegraph and partly by post. In addition to the cost of the telegram to the place of posting, a charge of 2½d. is collected from the sender if the telegram is to be posted from one country to another, but no charge is made for postage if the telegram is to be posted from one place to another in the same country. If the telegram is to be posted as a registered letter, a registration fee of 2½d. is charged in addition to the charge for postage (if any).

The sender should write the word "Poste" before the addressee's name, the name of the terminal telegraph office being written last in the address. For example: "Poste Smith 10 Broad Street, Calcutta Marseilles." The word "Poste" is charged for as a part of the telegram. Registered abbreviated addresses cannot be used.

SPECIAL WEEK-END LETTER TELEGRAMS FROM AND TO THE FORCES.

By this service, week-end letter telegrams from members of the Forces can be accepted at Telegraph Offices in the United Kingdom for transmission to most places in British territory or in British occupation outside of Europe and in the Mediterranean. Such telegrams will also be accepted from the general public to members of the Forces serving outside of Europe or in the Mediterranean. Full particulars of this service can be obtained at any Telegraph Office. A similar service is in operation with the United States for members of the American Forces.

TELEGRAMS CONCERNING SICK OR WOUNDED MEMBERS OF THE FORCES OUTSIDE OF EUROPE AND IN THE MEDITERRANEAN.

Telegrams of enquiry addressed to the proper Government Authority concerning the progress of persons who have been officially reported to be wounded, seriously wounded, or dangerously wounded (but not of persons who have been reported to be slightly wounded), or to be suffering from disease, may be sent free of charge, subject to certain conditions which may be ascertained at any Telegraph Office.

London Telephone System.

The rates of subscription may be ascertained on application to the Controller, London Telephone Service, 144A, Queen Victoria street, London, EC4.

Provincial Telephone System.

The terms for Telephone Exchange circuits may be ascertained on application to the District Manager.

Trunk Lines.

The Telephone Trunk Lines connecting the various Telephone Exchange areas throughout the Kingdom can be used by callers at Post Offices which are connected with the Trunk Telephone system as well as by subscribers and callers using Telephone Exchanges. The fees for the use of the Trunk lines are:—

For 25 miles or under	Fourpence,
,, 50 miles ,,	Eightpence,
,, 75 miles ,,	One Shilling,
,, 100 miles ,,	One Shilling & Fourpence,
,, every additional 40 miles or fraction thereof	Eightpence.

Special rates are charged where submarine lines are used.

The unit period of conversation is three minutes from the time when the caller or subscriber has been informed that the connection has been completed; but any caller, by prepaying a double fee, may secure the option of extending a three-minutes' conversation to six minutes on demand at the end of the first period.

There are reduced charges for conversations between 7 p.m. and 7 a.m. (Greenwich time.)

The use of Telephones for sending and receiving Telegrams.

Telephone subscribers' circuits and public telephone call offices may be used for the dictation of messages to Telegraph Offices for onward transmission as telegrams. Telegrams may also be delivered by telephone to telephone subscribers by telephone, and may be addressed to subscribers' telephone addresses. Post Offices with which communication is possible are specially indicated in the Post Office Guide, and further information on the subject can be obtained at Head Post Offices.

The senders of telephone messages which are to be written at Post Offices should speak very distinctly, and should spell all proper names, numbers, or difficult words. The persons who take down messages at Post Offices will repeat them to the senders, who are requested to do all in their power to prevent and correct mistakes.

PRIVATE TELEGRAPHS AND TELEPHONES.

The terms on which private telegraph and telephone lines can be provided may be ascertained by application to the Controller of the London Telephone Service.

Arrangements can be made by private persons or firms to have the regular use of long-distance telephone lines at night throughout the year. For particulars, apply to the Secretary, G.P.O., London.

TIME SIGNALS.

Where the Telegraph arrangements permit, Greenwich mean time can be supplied by electric current every hour in the day in London, and at either 10 a.m. or 1 p.m. (Greenwich time) to places in the country. Information as to rates and arrangements can be obtained on application to the Controller, London Telephone Service.

LONDON COURT OF ARBITRATION.

Established by the Corporation of the City of London in conjunction with the London Chamber of Commerce, and provides an inexpensive method of settling disputes speedily and satisfactorily.
On receipt of a submission signed by the parties to a dispute, the Court will appoint one, two, or three Arbitrators, or two Arbitrators with an Umpire, at the option of disputants.
Disputants may conduct their own cases or be represented by a Legal Advocate, or by a Clerk or other person in their permanent employment, or the personal attendances of all parties may be dispensed with, if they prefer to jointly state a case, or to each state his or their case or cases, and agree to accept the decision of the Arbitrator, Arbitrators or Umpire.
Costs are allowed, and the Awards can be enforced in the same manner as Judgments of a Court of Law.
All proceedings are private and confidential.

Chairman, A. Jarrold-Nathan.
Deputy-Chairman, R. A. Patterson.
Registrar, W. J. Bales.

Information may be obtained at the Offices of the Court, London Chamber of Commerce, 1 & 2 Oxford court, Cannon street EC4 & 97 Cannon street EC4.
